Metaphors and Opening Minds

Download Ebook Clean Language Revealing Metaphors And Opening

Clean Language is an approach to soliciting information and facilitating discussion that recognises this central role of metaphors, helps us spot metaphors in other people's thoughts and our own ideas and makes those connections explicit. The premise of Clean Language is that such conscious analysis of metaphors helps understand other people better.

Clean Language Revealing Metaphors And Opening Minds [EPUB]

Clean language is a technique primarily used in counseling, psychotherapy and coaching but now also used in education, business, organisational change and health. It has been applied as a research interview technique called clean language interviewing. Clean language aims to support clients in discovering and developing their own symbols and metaphors, rather than the therapist/coach/interviewer suggesting or contributing their own framing of a topic. In other words,

Metaphors which underpin a person's thinking, you can help people to change their lives in a way that intrinsically respects diversity and supports empowerment. Both you and they will gain profound new insights into what makes them tick. The approach was originally used to help clients to resolve deep trauma. It is now being used to get to the truth and to solve complex problems by some of the sharpest and most innovative people in the world - coaches, business people, educators, health professionals and many others.

philosophy, and a vibrating peach are all part of the story in this far-reaching but readily accessible guide to the practice of Clean Language questioning, a knowledge of which will enable you to enter another person's world almost unnoticed and once there to tread very, very lightly. And what will happen as a result is that the person you facilitate will get to know - and change, and heal - themselves. "Philip Harland takes us on a clear and compelling journey into the nuances of words, questions, and sentence structure, and explains why small changes make such a big difference

Download Ebook Clean Language Revealing

to both listener and speaker. He guides us through the minefields of unclean practice and shows us how seductive and wasteful our projections and assumptions can be. If you have ever wanted an easier ride with clients and colleagues, family and friends, this book tells you how to let go the reins and facilitate them to take up their own. A fabulous addition to Clean resources and one that most closely matches the way the creator of Clean Language, the late David Grove, would explain himself. I defy anyone to read this book and not clean up their language." Caitlin
