Accounting 9th edition continues the strong reputation established by this leading Australian text as the most comprehensive book for students studying introductory accounting in undergraduate or postgraduate programs. The full-colour design and improved pedagogy provides students with a reader-friendly text to enhance their understanding of concepts and make their study more enjoyable. The text builds on the thorough and reliable explanation of the accounting process through the Business Knowledge chapter vignettes that apply the principles to practice. Previous editions were renowned for the number of exercises and problems, and the new edition builds on this superior teaching feature. The end-of-chapter activities are designed to encourage student confidence through the development of skills in decision making, critical thinking, ethical thinking, analysis and communication.

With its tried-and-true framework and respected author team, Horngren/Harrison/Oliver's Accounting—when combined with MyAccountingLab—is the trusted choice for instructors and students of Principles of Accounting. To package MyAccountingLab with Accounting, order ISBN

"Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.

Company Accounting 7th edition continues to be the authoritative textbook on corporate financial reporting. The new edition has been thoroughly updated to reflect the numerous and ongoing reforms as a result of Australia's adoption of IFRSs. The text succinctly documents recent adjustments by the IASB/AASB in respect to the presentation of financial statements, accounting for intangible assets, accounting for income tax and the new reporting recommendations for business combinations under Phase II. The text provides students with a comprehensive and practical grounding in the practice and principles of company accounting, essential information on why and how company accounting entries and disclosures are made, and the process of business combination for a corporate group. New to this Edition New chapters on Corporate Governance, Leases and Equity Accounting. Chapter 8 Business Combinations – outlines proposed changes to ASSB3 as a result of the Exposure Draft of Proposed Amendments to IFRS3. Revised to accord with changes in AASB as a consequence of continuing reforms with IFRS. More 'Learning Check' summaries in all chapters reiterate and summarise important concepts.
