mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution Games* delivers everything you need to make your workplace more efficient, effective, and engaged.

This collection of activities, self-assessments, and exercises is especially useful as a resource to introduce the issue of conflict and its resolution as a part of workshops on management, leadership, communication, negotiation and diversity. The book is fully reproducible and flexibly organized in two sections. Part One includes twenty-five interactive group learning activities to explore conflict and provide practice in skills that help to resolve it. Part Two consists of twenty-five individualized exercises and assessments that are ideal for pre-work prior to group training sessions, or they can be distributed to participants for their own self-development. All

An array of effective exercises, in an easy-to-use format, to help trainers help managers. This resource offers 60 very common, often provocative, role play scenarios, plus practical suggestions on how role playing can add a valuable experiential learning component to management or supervisory training. Too many trainers have neglected to use role plays because of participant performance anxiety about role playing. These simple scenarios with complete participant briefing sheets make role playing easy for both the facilitator and hard-to-win-over managers.

Creative and innovative strategies and techniques are woven throughout the text with an emphasis on the importance of simulation in the classroom. The authors bring key concepts to life by including specific examples and suggestions for how to implement teaching strategies, how to identify types of learners as well as how to predict potential issues or challenges with each strategy. The Sixth Edition addresses specific teaching-learning strategies for traditional classroom settings, the clinical arena, and through the use of technology for both web-based and virtual simulation. The new edition focuses on the strategy behind the use of technology to help the students understand how it helps to promote learning and engagement. Innovative Teaching Strategies in Nursing and Related Health Professions, Sixth Edition is appropriate for all graduate level courses for health professions
