"Encontré la caja por pura casualidad. Dentro podría haber cualquier cosa, desde mariposas disecadas, un huevo de dinosaurio o mapa de una isla misteriosa. Sin embargo, contenía cuadernos verdes y delgados. También encontré dos piedras. Una blanca y otra negra. Él y yo. Nosotros. Una tarjeta firmada lo coronaba todo: "Viernes: Haz con ellos lo que quieras". Hay personas que te cambian la vida. Personas inesperadas, capaces de convertir lo ordinario en extraordinario.

Emilio Uranga, a founding member of the famed el grupo Hiperión, devoted his life to characterizing the nuances and uniqueness of Mexican existence. His landmark book, *Análisis del ser del mexicano* became an instant classic. This is the first English translation of the work, which, accompanied by a comprehensive introduction, features: · Key moments in the development of 20th century Mexican philosophy up to the writing of Uranga's text · A detailed overview of the translated text and its most significant movements · Discussion of Uranga's relevance to contemporary debates in the phenomenology of culture, decolonial philosophy, phenomenology, and Latin American philosophy itself · Considerations of Uranga's ontology, and how he justified his project by appealing to 20th-century Mexican poetry and existential phenomenology Reading Uranga's brilliant words expertly translated and introduced by Carlos Alberto Sánchez finally allows us to understand why this Mexican philosopher is considered one of the most fearless and original thinkers of the 20th century.

Como líder, directivo, empleado o ciudadano, tu activo más valioso no está encerrado en una caja de seguridad de un banco, ni en ladrillos y cemento, ni en el balance de una compañía; se guarda en un lugar mucho más seguro aunque bastante frágil, tu cabeza, y es una cartera de valores gemelos: tu mente analítica y tu mente intuitiva

Stories feature a boy with a new interest in girls, two good girls who play hooky, a girl and the math teacher she dislikes, a girl who is always late to school, a boy with a crush on his teacher, and a boy home with a broken leg.

Corazonadas es un libro intimista. Relatos a flor de piel con personajes que de repente avanzan entre nosotros, que pueden estar a la vuelta de la esquina. Personajes que cobran vida y parecen ser tan reales, que en más de una ocasión nos identificaremos con alguno. Son seis historias de amor y ausencias que pretenden introducirnos en un viaje introspectivo y ponernos en jaque una y otra vez, desafiándonos, permitiendo que revisemos nuestros paradigmas. La violencia de género, el maltrato, el abuso, la trata de personas, la discriminación son parte de nuestro diario vivir desde hace siglos, y este libro de cuentos vivenciales los desnuda y denuncia de forma maestra. Tanto en los cuentos de corte fantástico (como *Juegos Macabros* o *Regalo de Nochebuena*) como en aquellos más realistas (*La clave estaba en el tiempo*, *Parque Lezama*, *La primera navidad sin ti* e *Ingrid*, un sentimiento) las emociones afloran y nos introducen en un juego de sentidos propuestos por el autor al mejor estilo de un calidoscopio para culminar, con golpes maestros, llamándonos a la reflexión porque en el fondo, somos personas, y necesitamos ser mejores personas cada día. *Regalo de nochebuena*, laureado cuento de Badaracco, medalla de plata del Instituto Borges de Santo Tomé (Corrientes), seleccionado y editado por la Universidad Nacional de Entre Ríos, forma parte también de otro volumen, que permanece inédito: "Cuentos para chicos de zapatillas rotas," que en realidad, son cuentos para grandes. Los personajes son niños pero se recomiendan a un público adulto o que ya esté en condiciones de reflexionar. Mientras aguardamos su pronta impresión podemos leerlo en este compendio.
