Corto Maltese
Corto Maltese (whose name derives from the Andalusian Argot and means "quick hands") is a laconic sea captain adventuring during the early 20th century (1900-1920s). A "rogue with a heart of gold", he is tolerant and sympathetic to the underdog.

Corto Maltese - Wikipedia

Corto Maltese is a "cult" character of the best of the European graphic novel genre, but also a veritable 20th century literary legend. He's a traveler, an ironic sailor who combines Mediterranean looks and character traits with Anglo-Saxon culture.

Corto Maltese | The official website

At the dawn of the 20th century, Corto Maltese, a sailor and an adventurer, is hired by a Chinese revolutionary group, The Red Lanterns, to hijack an armored train carrying the gold of Russian Emperor Tsar Nicolas II from Saint Petersburg to Vladivostok.

Corto Maltese - IMDb

Corto Maltese was the site of a rebel uprising against the government, which was backed by the United States. Due to rising tensions between the United States and the Soviet Union, which supported the rebels, Superman was dispatched by the U.S. President to intervene in subduing the uprising.

Corto Maltese - DC Comics Database

Corto Maltese was the name of a comic book character, a sailor in the South Pacific and elsewhere, which was created by an Italian cartoonist named Hugo Pratt. There were several Corto Maltese comic books and movies, although there were few, if any, in English.

The second volume in the definitive English language edition of Hugo Pratt's masterpiece, Corto Maltese, presented in the original oversized B&W format and with new translations made from Pratt's original Italian scripts. "Mushroom Heads" begins in Maracaibo, Venezuela, where Corto Maltese and Professor Steiner lead an expedition on the trail of the legendary El Dorado, financed by the antiquarian Levi Colombia. In "Banana Conga," Corto has his first and nearly fatal encounter with the beautiful yet dangerous mercenary Venexiana Stevenson. Within this framework of adventure, Hugo Pratt weaves themes dealing with the exploitation of indigenous people, the noble struggle to gain freedom and independence, and how cowardice can poison men of all classes. The action, set in 1917, takes Corto Maltese from the Mosquito Coast to Barbados to a deadly struggle among Jivaro head-hunters in the Peruvian Amazon.

Nominated for both the Eisner and Harvey Awards for Best Foreign Language Publication! When Corto Maltese arrives in the Middle East and Africa in 1918 the shifting sands and loyalties reveal colonial powers still battling for domination over each other and the indigenous people. The desert of Yemen, controlled by the fading Ottoman Empire, is the setting for "In the Name of Allah, the Merciful and Compassionate," where Corto meets Cush, the Danikil warrior with whom he establishes a close yet conflicted relationship. In "The Coup de Grace" the stubborn racism of an English commander of a small fort in British Somaliland leads to conflict with Cush and the Dervish army of Sayyid Mohamed, whom the British call "The Mad Mullah." The action moves to Ethiopia amidst inter-tribal conflict in "...and of Other Romeos and Other Juliets," as Cush introduces Corto to the mysterious and powerful shaman Shamael, who hears the voices of the dead and of devils. German East Africa is the background of "The Leopard-Men of the Rufiji," where Corto is engulfed in a dreamlike atmosphere that reveals how African justice operates outside the constraints of "white" law.

Celebrate this milestone in the history of graphic novels, winner of the world's first-ever "Best Graphic Novel" award, taking the prize in 1976 at the Angoulême Fesitval. Originally serialized beginning in 1967, this book is universally acknowledged as Hugo Pratt's masterpiece, in which he introduces Corto Maltese to the world. Corto is but one of a strong ensemble cast of characters whose lives permeate the entire 12-book series. It is here that we also meet the young and beautiful Pandora, her brother Cain, the mysterious criminal mastermind Monk, the grim and ferocious Rasputin, Lieutenant Slutter of the German Navy, and the natives Skull and Taroa. The Ballad of the Salty Sea is also hailed as the first example of the literary comic strip. Pratt was inspired by Conrad, Stevenson, and London, but even more directly by Henry de Vere Stacpool's Blue Lagoon, from which the author got the idea of a small island in the Pacific which he named "Escondida." The action begins in November 1913 in the South Seas as feelings of the Great War were already looming but the romantic ideals of the nineteenth century were still alive. The pace of the narrative and the drawings are very modern and Pratt permeates the adventure with an extraordinary atmosphere of the great outdoors. The story captures the imagination of the reader from the opening pages with a tight, compelling storyline that can be interpreted on different levels. This EuroComics edition features new translations from Pratt's original Italian scripts by Dean Mullaney, the Eisner and Harvey Award-winning editor of the Library of American Comics, and Simone Castaldi, Associate Professor of Romance Languages and Literatures at Hofstra, and the author of Drawn and Dangerous: Italian Comics of the 1970s and 1980s (University Press of Mississippi).

In this final entry of Hugo Pratt's epic series, the master graphic novelist returns to the theme he first explored in the initial episode--the search for the lost continent of Mu, the mythical Atlantis. A premonition hovers over the entire dreamlike story, as if fate had decided in advance that this would be Corto Maltese's last adventure. The feeling is underscored by the return of most of the major characters seen throughout the long-running saga, like actors giving their final curtain call: Gold Mouth, Morgana, Tristan Bantam, Levi Colombia, Professor Steiner, "the Monk," Cain Groovesnore, Soledad, and (of course) Rasputin...each with their own reason to find the mythical realm. Thus, the circle closes. This EuroComics edition features new translations from Pratt's original Italian scripts by Dean Mullaney, the Eisner and Harvey Award-winning editor of the Library of American Comics, and Simone Castaldi, Associate Professor of Romance Languages and Literatures at Hofstra, and the author of Drawn and Dangerous: Italian Comics of the 1970s and 1980s (University Press of Mississippi).

Follows the adventures of Corto Maltese who is picked up by a Russian pirate after being stranded at sea in the Pacific during World War I.
