As Scyld Berry reveals in his new book, Cricket: The Game of Life, around 20,000 books or pamphlets have been produced in English on cricket over the years, a record. Now Mr Berry, a former editor of Wisden Cricketers' Almanack and the cricket correspondent of the Sunday Telegraph, has written a worthy addition to this rich lineage. The book may be eclectic, but it is also rewarding'

Cricket: The Game of Life by Scyld Berry | Hachette UK
A very well written catalogue of insights into the great game that is cricket. I enjoyed both the history and the sense of place as the game's roots in each of the places it is played are colourfully described.

Review: Cricket: The Game of Life | Cricket | ESPNcricinfo.com
Life is like the game of cricket! For some it's a twenty overs match, they have very little time to show their worth, do or die, one cannot depend on singletons, they will have to play the lifting shots, either hit sixes or go back to the pavilion. The rival bowler is attacking, he, too, have a few overs, he will leave no stone upturned,

Life Is Like The Game Of Cricket Poem by Akhtar Jawad ...
Cricket is a bat-and-ball game played on a cricket field (see image, right) between two teams of eleven players each. The field is usually circular or oval in shape and the edge of the playing area is marked by a boundary , which may be a fence, part of the stands, a rope, a painted line or a combination of these; the boundary must if possible be marked along its entire length.

Cricket - Wikipedia
My dear friend, the game of cricket is not less than a life lesson. To be precise, Life is a 22-yard cricket pitch and we all are players who will retire one day ...Why am I saying this...Let us find out. Most of the people consider cricket to be a batsman ' s game, so first, let us find out what can be learned from a batsman?

How is the game of cricket similar to life? - Quora
Cricket is both an imperial Victorian game and the 'national' game of India, Sri Lanka, Pakistan, the West Indies, Bangladesh and Australia. Each of the interpretations is true and each has the capacity to serve as the basis of a myth. The interpreter has to choose.

Shortlisted for the MCC Book Shortlisted for Cricket Book of the Year Scyld Berry draws on his experiences as a cricket writer of forty years to produce new insights and unfamiliar historical angles on the game, along with moving reflections on episodes from his own life. The author covers a range of themes including cricket in different areas of the world, and abstract concepts such as language, numbers, ethics and psychology. Scyld Berry relishes the joys cricket provides and is convinced of the positive effect it can have in people's lives. Cricket: The Game of Life is an inspiring book that reminds readers why they love the game and prompts them to look at it in a new way.

Why cricket? Two reasons. The first is that I have seen many students in my country like to play cricket. Second is their mindset where they feel very happy to play but not to study. As a student of life, I love cricket; I believe if things are related to cricket, students can understand easily. Through this book, they can learn how to aim for a century in their studies, just like they do in cricket! " Life ' s unexpected bouncers may catch you off guard sometimes but if you don ' t give up, it will teach you how to duck it and will enable you to hook to bouncers to your wish. " - Sandeep Satyanarayana " This book is a valuable gift and an eye opener for Students of all ages. " - Savyasachi G K " First I appreciated Abhiram for his suggestions to students to motivate themselves, Author tried to explain the common mistakes done by students, How to avoid those mistakes through cricket game, it ' s a new approach to change the students thoughts. " - Ananda K " Personally I would feel this book as realization point for better reframing of our own life.. with the simple cricket game and it ' s terminologies the ups and downs of an individual life has been described in a perfect way with superb quotes which are eye opener . Overall this book redefines an individual ' s life...Great work buddy... All the very best " - Ramya Ramesh " What a mind refresher book written by Abhiram. Within a certain period of time, he has realized the value of life and clearly picturize the example of cricket into life. This is definitely a must read book for students in order to boost their confidence. " - Nagabharana H R

"Looking over the legends and stars of both sports, explaining the rules, complete with glossary, Right Off the Bat is a fine assortment of knowledge, very much recommended for any curious sports fan."—Midwest Book Review It's been said that baseball and cricket are two sports divided by a common language. Both employ bats, balls, innings, and umpires. Fans of both steep themselves in statistics, revel in nostalgia, and toss around baffling jargon. In Right Off the Bat, baseball nut Evander Lomke and cricket buff Martin Rowe explain "their" sport—and their love of it—to the other sport's fans. You'll come away finding yourself as fascinated by legbreaks and inswingers as you are by knuckleballs and sliders (or vice versa). Are you a dyed-in-the-wool baseball fan who nevertheless harbors a nagging doubt as to whether Babe Ruth was, in fact, the greatest athlete ever to swing a bat? When you think of cricket, is what comes to mind stuffy Victorians standing around in a field, twirling their mustaches and saying silly things like "Howzat" or "googly"? Or are you a staunch cricket fan who sometimes wonders whether a screwball is really as difficult to execute as a doosra? Do you ask yourself where the thrill is in watching a ball sail 400 feet over a wall and just past the outstretched fingers of a fielder wearing a glove (and all for a paltry one run)? Well, step right up and take a seat—you've got a lot to learn (for example, the very first international cricket match was played in the United States). And Right Off the Bat is just the book for you.

A tribute to the finest writers on the game of cricket and an acknowledgement that the great days of cricket literature are behind us. There was a time when major English writers – P. G. Wodehouse, Arthur Conan Doyle, Alec Waugh – took time off to write about cricket, whereas the cricket book market today is dominated by ghosted autobiographies and statistical compendiums. The Picador Book of Cricket celebrates the best writing on the game and includes many pieces that have been out of print, or difficult to get hold of, for years. Including Neville Cardus, C. L. R. James, John Arlott, V. S. Naipaul, and C. B. Fry, this anthology is a must for any cricket follower or anyone interested in sports writing elevated to high art.

Sat, Sam, and Trib (a.k.a Triple sundae gang) are teenagers and they love cricket. They spend most of their time watching and playing the sport they love. They dream of making their living in the sport. When they are not playing the game, they put on their thinking cap and come up with alternate versions of important matches or provide parodic answers to questions that have plagued cricket fans over the years. However, fate intervenes in their idyllic life. On 18th April 1986, Javed Miandad hits Chetan Sharma for a six in Sharjah and leaves their cricket viewing life in tatters. The after-effects of this fateful event, continue to haunt them for many years. Their problems don ' t end there. Sat fails to graduate from school level cricket to state-level cricket. He is heartbroken by the loss of his dreams and faces a mini identity crisis. How do the boys solve their problems? Will the boys ever recover from that Javed Miandad incident? Will Sat get his mojo back? Come, join the heartwarming ride and find out the answers, as Sat takes you through his nostalgic memories of the sport and narrates his coming of age story, which is deeply influenced by the sport!

Learning from the game of cricket prepares us, in ways no university can, for the bigger game of life. Cricket is a game of management, teamwork, strategy and leadership. When these are applied right, one wins; else, one loses.But whatever the outcome – pain or joy – one learns from every match! In 50 Not Out! author Harimohan Paruvu captures fifty key lessons from cricket that are essential for all-round growth and good living. Honesty, courage, resilience, commitment, discipline – these are just a few of the qualities illustrated through the game. The book also explains principles behind such familiar phrases as " play with a straight bat " , " catches win matches " or " team comes first " and how these help us adapt to every situation in life. From students to CEOs, administrators to sportsmen, people from all walks of life will find inspiration in 50 Not Out! to be the very best they can be. HARIMOHAN PARUVU is an accomplished cricketer who has played for Hyderabad in the 1985-87 Ranji Trophy matches. A civil engineer and MBA, he worked in the corporate sector for a decade before giving it up to write full-time. He is the author of India ' s first cricket novel The Men Within: A Cricketing Tale and the romance If you love someone. Harimohan also blogs, teaches, leads workshops and coaches executives.

Born on a council estate in London's King's Cross, Fred showed an incredible aptitude both as batsman and bowler from an early age. From these humble beginnings he began his lifelong involvement with the game, first as a player, then coach and finally as an England selector. His incredible rise through the ranks of the cricketing establishment was even more remarkable given his background and the class divisions that once characterised British cricket. His career has been as eventful off the pitch as it has been on. When playing with Ted Dexter, Dexter once insisted he and Fred opened the innings in a Test match, so they could have the afternoon free to go racing at Cheltenham, and, after losing four toes in 1968, Titmus confounded all predictions by returning to first class cricket seven weeks later. Fred Titmus: A Life in Cricket is a remarkable testament to an extraordinary man.

If someone were to say 'it's not tennis', or 'not football' of shabby behaviour in any walk of life, he or she would not be understood. If they said 'it's not cricket', they probably would be (though less reliably than a century ago). Is there some special spirit of cricket? The laws of cricket, like the laws of the land, aim at a sort of justice or balancing between different factions. The purpose behind cricket's laws, and behind changes in them, is often to calibrate the balance in the game between batsmen and bowlers, between attack and defence, between safety and risk. Cricketing lawmakers are interested in the overall appeal of the game to players and spectators alike. In Spirit of Cricket, Mike Brearley alternates between issues and examples within the game - from 'Mankading' and the 'Sandpaper' affair to sledging, mental disintegration and racism - as well as broader issues such as the spirit and letter of the law. Brearley examines the issue of how far what purports to be justice (in law or in spirit) may or may not be the expression of the powerful within the activity or within society. He also contrasts cheating and corruption, and reflects on the nature of penalties in regard to each. He discusses the significance of the notion of the spirit of the game for umpires, groundsmen, administrators, media and spectators - and, of course, for players. Intelligent and insightful, Spirit of Cricket points to qualities in cricket that enhance our development as people - including a sense of fair play, the embracing of striving both for our team and for ourselves and the important values of playfulness in life and professional sport.

' That day I cried like a baby not because I feared what cancer would do but because I didn ' t want the disease. I wanted my life to be normal, which it could not be. ' For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book The test of my life, he reveals how—plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—the test of my life—is about cancer and cricket, but more importantly, it is about the human will to fight adversity and triumph despite all odds.
