The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design--from the very earliest (1962's Spacewar) through the present day releases on the PlayStation 3, Xbox 360, Wii and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels and of course the author's views and insights into the game. In addition to the main entries and reviews, a full-color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include: a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

Examines the causes of the financial crisis that began in 2008 and reveals the weaknesses found in financial regulation, excessive borrowing, and breaches in accountability.

Come join the adventure in Symbaroum, the acclaimed Swedish roleplaying game! Explore the vast Forest of Davokar in the hunt for treasure, lost wisdom and eternal fame. Visit the barbarian clans to trade or to plunder their treasuries. Establish a base of power among princes, guilds or rebellious refugees in the capital city of Yndaros. Or survive encounters with Arch Trolls, dark-minded Blight Beasts and undead warlords. But whatever you do, never ignore the warnings spoken by the wardens of the forest: tread carefully and do not disturb the ruins of old, for the dark deep of Davokar is about to awaken. Made in Sweden

MANHATTAN IS UNDER NEW MANAGEMENT. THEY'RE NOT FROM AROUND HERE. Welcome to the Big Apple, son. Welcome to the city that never sleeps: invaded by monstrous fusions of meat and machinery, defended by a private army that makes Blackwater look like the Red Cross, ravaged by a disfiguring plague that gifts its victims with religious rapture while it eats them alive. You've been thrown into this meat grinder without warning, without preparation, without a clue. Your whole squad was mowed down the moment they stepped onto the battlefield. And the chorus of voices whispering in your head keeps saying that all of this is on you: that you and you alone might be able to turn the whole thing around if you only knew what the hell was going on. You'd like to help. Really you would. But it's not just the aliens that are gunning for you. Your own kind hunts you as a traitor, and your job might be a bit easier if you didn't have the sneaking suspicion they could be right. . . .

Currently Updating for Legendary Edition □For years, a lone soldier has told tales of the Reapers, of their return, of these sentient machines reaching out across the vastness of space, to harvest all sentient life. But the warnings were all for nothing. Until now. The Reapers have at last come to Earth and these warnings can no longer be ignored. You are Commander Shepard, the first human spectre and elite soldier of the Alliance, tasked with uniting the galaxy in the fight to stop the Reapers destroying everything you hold dear. In your hands lies the fate of the entire Milky Way but luckily, this time, you are no longer alone. - Strategies guaranteed to get you through this epic story in one piece. - All side missions completed. - Fool-proof boss tactics. - Find every single weapon mod tucked away in the game. - The location of every war collectible, solar system, hidden fuel station and war asset uncovered in detail. - Full coverage of all three DLC packs Leviathan, Omega and Citadel.

Experience Lara Croft's defining moment as she becomes the Tomb Raider. In Shadow of the Tomb Raider, Lara must master a deadly jungle, overcome terrifying tombs, and persevere through her darkest hour. As she races to save the world from a Maya apocalypse, Lara will ultimately be forged into the Tomb Raider she is destined to be. The Shadow of The Tomb Raider Official Art Book features exclusive concept art and developer interviews detailing the climactic conclusion of Lara Croft's origin story where she will experience her defining moment in becoming the Tomb Raider. Game is due to release on 9/14/18 across all major platforms

Back in 1994 at the game company □CORE Design□ in Derby, Lara Croft was born. Through eighteen months of pure hard work from the team, Tomb Raider was released in 1996 and became the success that we see today; taking part in the mid-nineties celebrations of Brit-Pop and Girl Power. This is the story of the team who were involved in creating the first two games, then leaving the series to a new team in 1998. Lara Croft brought class, comedy, and a James Bondian role to the game, dreamt up by Toby Gard and helped to become a pitch with Paul Douglas. The game was a gamble, but because everyone at the company believed in it, it led to huge success for everyone, except for Toby and Paul. □The Making of Tomb Raider□ goes into detail of how Lara and the games were born, alongside why Toby Gard and Paul Douglas left before the sequel was released. Throughout eleven chapters of countless interviews, this book will tell you who was responsible for creating the first two games; from its levels, its music, the many voices of Lara Croft, and much more. The team also reveals all about the star of the second game; Winston the Butler, and how he came to be by Joss Charnet. Over twenty people were interviewed for this story; from the pitch for what would be Tomb Raider, alongside the challenges along the way, up until the release of Tomb Raider 2 in 1997

To tie in to the massive new game CRYISIS 3, coming in February 2013 from EA, Gavin Smith has been signed up to write a selection of connected short stories that will explore and expand the game world. Gavin's futuristic and punchy fiction is a perfect fit for CRYISIS, and this will be a delight for game-players and SF fans alike. With stories covering the fan favourite characters of Prophet, Psycho and Alcatraz, as well as introducing themes, enemies and weapons new to CRYISIS 3, this will be a vital part of the game experience. Punchy and kinetic, this is SF with steel at its heart.
