This lively story captures George's adventure of becoming the first space monkey from the classic Curious George Gets a Medal.

Curious George blasts off into space.

This lively story captures George's adventure of becoming the first space monkey from the classic Curious George Gets a Medal.

Do you ever feel like George? Are you curious? Are you mischievous? Curious kids can read along with their parents to see if they behave like the monkey best known for getting in and out of mischief.

The Education Place, a service of the Houghton Mifflin Co., presents a TeacherView, prepared by Katy Smith and based on "Curious George and the Rocket" by H.A. Rey. H.A. Rey is the pseudonym used by German-born American authors Hans Augusto Rey (1898-1977) and Margaret Rey (1906-1996). Smith offers a brief summary of the book and suggests reading extension activities appropriate for use with elementary classes. "Curious George and the Rocket" is the story of a monkey who travels into outer space.

After repeatedly disastrous efforts to get himself out of trouble, George ends up being the first monkey in space.

George is excited to be in the city- it's the day of the big parade! But when the parade is delayed, George is distracted. He is also hungry. When it looks like a snack is just within reach, George has an idea. Soon the ball is rolling through another mischievous adventure.

Inspired by a vignette in the classic Curious George Flies a Kite, this amusing episode shows George at his curious best trying to catch a fish.

The Curious George Super Sticker Coloring Book is filled with 64 exciting pages to color and more than 600 fun and unique stickers. The adorable art features such classic scenes as George's famous rocket ride, kite-flying and bicycle adventures, trips to the zoo and park, and much more!
