Dancing on My Grave chronicles Kirkland’s journey to prima ballerina status while battling multiple addictions and bulimia. As you muddle through some of the more cringe-worthy details of her relationship with Mikhail Baryshnikov, you’ll probably find some of the passages in the book difficult to digest.

Dancing on My Grave by Gelsey Kirkland – Goodreads

Hal’s summer affair with Barry Gorman ends tragically when Hal discovers he is much more committed to the relationship than his friend.

The shattering story of a dream which became a heartbreaking nightmare for one of America’s most famous ballerinas, Gelsey Kirkland, who chronicles her brilliant start as a dancer with George Balanchine, her legendary partnership with Mikhail Baryshnikov, her agonizing descent into drugs, and her struggles to rise again. Photographs.

From the co-author of I Would Find a Girl Walking and an award-winning true-crime television reporter comes the shocking story of Debbie Flores, a Las Vegas showgirl whose dreams of a dazzling career ended in a nightmare... Vivacious Debbie Flores was a college educated Washington Redskins cheerleader when she headed for “Sin City.” It was a smart move for the aspiring showgirl who’d soon be making her star-making solo debut at the legendary Luxor. But after the morning rehearsals of December 12, 2010, no one saw Debbie alive again. A cryptic text message she left for her mother led authorities to Debbie’s charismatic boyfriend, Jason “Blu” Griffith. A fellow Vegas dancer, Blu was hiding a terrible secret. It involved a rental van, bags of cement, two plastic tubs, and a handsaw. When the details of the crime unfolded, everyone asked: how could a girl with such passion and promise come to an end so violent and unexpected? In time, the truth would reveal a life more tumultuous than believed—and what exactly transpired on Debbie’s tragic final day would stun the nation. INCLUDES PHOTOS

In Breaktime, Ditto challenges Morgan to prove that literature is crap and triggers off a chain of events to alter his outlook of life forever. Ditto faces a series of charges from Morgan against literature: that all fiction is Done. Finished. Dead; a sham and a pretence. He undertakes faithfully to record a life in the week of Ditto - with all the chaos of reality thrown in - and his literary creation reveals more about himself than he originally bargained for. In Dance on My Grave, life in his seaside town is uneventful for Hal Robinson, nothing unusual, exciting or odd ever happens to him - until now that is. Until the summer of his 16th birthday when he reaches a crossroads of choices in life. He foolishly takes a friend's boat for a day's sailing, gets into difficulty and is rescued by Barry Gorman. Their ensuing relationship results in a tumultous summer for Hal as he experiences the intense emotions of his first teenage love. A major new movie - 'Summer of 85' - based on Dance on My Grave, by groundbreaking French director Francois Ozon, was released in October 2020 to much acclaim. 'Defitly captures the thrill of first love' - NME 'A sweet gay romance that gradually morphs into something more suspenseful and macabre' - Daily Telegraph 'A film that will take you back to your first summer love' - The Gay UK

Longlist "A compelling and important history that this nation desperately needs to hear." -Bryan Stevenson, New York Times bestselling author of Just Mercy and executive director of the Equal Justice Initiative
Winfred Rembert grew up in a family of Georgia field laborers and joined the Civil Rights Movement as a teenager. He was arrested after fleeing a demonstration, survived a near-lynching at the hands of law enforcement, and spent seven years on chain gangs. During that time he met the undaunted Patsy, who would become his wife. Years later, at the age of fifty-one and with Patsy's encouragement, he started drawing and painting scenes from his youth using leather tooling skills he learned in prison. Chasing Me to My Grave presents Rembert's breathtaking body of work alongside his story, as told to Tufts Philosopher Erin I. Kelly. Rembert calls forth vibrant scenes of Black life on Cuthbert, Georgia's Hamilton Avenue, where he first glimpsed the possibility of a life outside the cotton field. As he pays tribute, exuberant and heartfelt, to Cuthbert's Black community and the people, including Patsy, who helped him to find the courage to revisit a traumatic past, Rembert brings to life the promise and the danger of Civil Rights protest, the brutalities of incarceration, his search for his mother's love, and the epic bond he found with Patsy. Vivid, confrontational, revelatory, and complex, Chasing Me to My Grave is a searing memoir in prose and painted leather that celebrates Black life and summons readers to confront painful and urgent realities at the heart of American history and society.

Eleven-year-old Rosie must choose between the two things she loves most--ballet and horseback riding.

Dancing on Water is both a personal coming-of-age story and a sweeping look at ballet life in Russia and the United States during the golden age of dance. Elena Tchernichova takes us from her childhood during the siege of Leningrad to her mother's alcoholism and suicide, and from her adoption by Kirov ballerina Tatiana Vecheslova, who entered her into the state ballet school, to her career in the American Ballet Theatre. As a student and young dancer with the Kirov, she witnessed the company's achievements as a citadel of classic ballet, home to legendary names--Shelest, Nureyev, Dudinskaya, Baryshnikov--but also a hotbed of intrigue and ambition run amok. As ballet mistress of American Ballet Theatre from 1978 to 1990, Elena was called "the most important behind-the-scenes force for change in ballet today," by Vogue magazine. She coached stars and corps de ballet alike, and helped mold the careers of some of the great dancers of the age, including Gelsey Kirkland, Cynthia Gregory, Natalia Makarova, and Alexander Godunov. Dancing on Water is a tour de force, exploring the highest levels of the world of dance.

A powerfully written novel offering an intimate look at a beautiful marriage and how bipolar disorder and cancer affect it, Dancing on Broken Glass by Ka Hancock perfectly illustrates the enduring power of love. Lucy Houston and Mickey Chandler probably shouldn’t have fallen in love, let alone gotten married. They’re both plagued with faulty genes—he has bipolar disorder, and she has a ravaging family history of breast cancer. But when their paths cross on the night of Lucy’s twenty-first birthday, sparks fly, and there’s no denying their chemistry. Cautious every step of the way, they are determined to make their relationship work—and they put it all in writing. Mickey promises to take his medication. Lucy promises not to blame him for what is beyond his control. He promises honesty. She promises patience. Like any marriage, they have good days and bad days—and some very bad days. In dealing with their unique challenges, they make the heartbreaking decision not to have children. But when Lucy shows up for a routine physical just shy of their eleventh anniversary, she gets an impossible surprise that changes everything. Everything. Suddenly, all their rules are thrown out the window, and the two of them must redefine what love really is. An unvarnished portrait of a marriage that is both ordinary and extraordinary, Dancing on Broken Glass takes readers on an unforgettable journey of the heart.
