"Dancing with Jesus" is a power packed, compelling novel. Linda Fitzpatrick creates Biblical drama, incorporates Christian fantasy, and brilliantly blends historical fiction and prophetic fulfillment into the adventure.

Are you cursed with two left feet? Are your dance moves unrighteous? Do you refrain from getting down lest others judge you cruelly? Fear not. Salvation is at hand. Singing hymns of praise is standard practice-now it's time to set your feet a-tapping with a collection of original dance moves inspired by Jesus and the likes of Moses and John the Baptist. Dances include: the Water Walk, the Temptation Tango, the Judas Hustle, and The Apostolic Conga. Each dance move is outlined with: how to, inspiration, and an illustration. Slyly irreverent but ultimately festive, Dancing with Jesus is illustrated in full color. Best of all, two of the dances are animated for full effect by a lenticular cover and last-spread finale, making this a truly one-of-a-kind novelty item! As the Bible says in Ecclesiastes, there is, "A time to weep, a time to laugh, a time to mourn, a time to dance."

Her disability couldn't stop the coming dance . . . This biblical-timeframe story captures the heartache of terrible mishap, tension between cultures, and the redeeming power of one Man. When the mystifying dreams began at age five, Abia Ben-Judah realizes that her relationship with God is about to enter a new level. However, after suffering from an accident that crushes her hip and leaves her unable to bear children, Abia believes her dreams have lost all relevance in her life. Until the dreams begin coming true one by one. Twelve years of pain-mingled with the loving bond of a family in biblical times-creates in Abia an unbroken spirit that takes her from her humble Jewish home to Herod's palace, and ultimately to the presence of the One who predestined her dreams. This timeless story encompasses the power of worship through dance, along with the ripening of prophecy in one's life.

Are you cursed with two left feet? Consider this kit your revelation. Set your feet a-tapping with a collection of original dance moves inspired by Jesus and the likes of Moses and John the Baptist. This slyly irreverent kit includes a 3" dancing Jesus figurine on a suction cup base that you can attach to your dashboard, your desk, or virtually anywhere that you could use some peace and tranquility- or to just bring a much-needed smile to your face. The illustrated mini book includes 12 dance moves outlined with how-to instructions, along with the inspiration for each dance derived from Jesus's life and teachings. Kit also includes an illustrated conga line backdrop to display with your figurine.

It is time. Ready to dance? Its a sweet and gorgeous gift for your Kids Who Loves Jesus and want to dancing with Jesus.

Candace Cameron Bure has grown up before our eyes and we've watched as she's balanced life in Hollywood with her faith for many years. But that all reached new heights when she was given the opportunity to join the cast of Dancing With the Stars. Being on the show was one of her dreams come true; and with that dream came the opportunity to display her Christian faith in front of millions of people, through an intense season of stretching beyond her limits, and to run the race God gave her with joy and perseverance. Join Candace as she reflects on the self-discovery that came through leaping out of her comfort zone. Go behind the scenes and experience the highs and lows, the roadblocks, and the personal victories. Hear straight from her heart on tough lessons learned about grace, rejection, perfectionism, disappointment, accountability, dealing with criticism, and more. Through God's strength, and with the help of endless support from her family and friends, see how Candace stayed true to herself and publicly lived out her faith in Christ all the way to the finale. How do you stand with conviction in your world? Where does your courage come from when faced with challenges? How do you live out your faith on a daily basis despite opposition? Your stage probably isn't in Hollywood and the challenges you are facing may not be on live television, but they are no less real. Come along with Candace as she shares how she found the courage to stand with conviction on one of the largest platforms of her life.

Down-to-earth, engaging and psychologically astute, Dancing with God takes us inside the gospel stories, so we might explore these ideas through imagining ourselves to be in the presence of Jesus.

A collection of daily meditations focused on increasing the reader's awareness of personal interaction with the spirit of Christ.

In 1890, on Indian reservations across the West, followers of a new religion danced in circles until they collapsed into trances. In an attempt to suppress this new faith, the US Army killed over two hundred Lakota Sioux at Wounded Knee Creek. Louis Warren's God's Red Son offers a startling new view of the religion known as the Ghost Dance, from its origins in the visions of a Northern Paiute named Wovoka to the tragedy in South Dakota. To this day, the Ghost Dance remains widely mischaracterized as a primitive and failed effort by Indian militants to resist American conquest and return to traditional ways. In fact, followers of the Ghost Dance sought to thrive in modern America by working for wages, farming the land, and educating their children, tenets that helped the religion endure for decades after Wounded Knee. God's Red Son powerfully reveals how Ghost Dance teachings helped Indians retain their identity and reshape the modern world.

Are you tired of the conflict all around you? It happens over and over again. A political argument with a friend, a fight about racial issues on the internet, a disagreement with a coworker—at the first sign of conflict, we flee to a bunker with people who think like us and attack everyone else. We feel safe there, but it's killing us: killing families, friendships, civility, and discourse. Our fractured world desperately needs a different way: people who will speak gently, value truth, and think clearly. Dancing in No Man's Land is a rallying cry, a life-giving and practical journey into the way of Jesus that will revolutionize how you view conflict. You can choose to speak both truth and peace in the midst of war. You can step out of our bunkers and into no-man's land, where only brave souls tread. It may look like you're dodging cultural landmines. But you might just be learning how to dance.

Every athlete needs a coach. An experienced mentor can help even the clumsiest novice ascend to new heights of sports mastery. But where to find such counsel? Maybe . . . just possibly, from the Savior? Activities with Jesus and such familiar biblical names as Moses and John the Baptist include: perfecting the almighty slam dunk, taking a high-dive leap of faith, and a tug-of-war of biblical proportions. Slyly irreverent but ultimately festive, the book is illustrated in full color. Best of all, two of the adventures (surfing and tug-of-war) are animated for full effect by a lenticular cover and last-spread finale!
