A superstitious gambler, he takes off, but Bella's seen too much, and he vows to return. Jiffy Arden, a neighborhood kid looking for the black cat and stumbling across the killer, begins to have premonitions of being kidnapped during the season's first snowstorm. Sure enough, when it strikes, he vanishes, never arriving home from the bus stop. While her son, Max, believes Jiffy has been kidnapped, Bella is convinced he's just wandered off as he typically does...until a body shows up in the lake. Now everyone is pulling out all the stops to find the missing child, identify the victim, and collar the killer. And fast, because he's coming for Bella next in Dead of Winter.

CATTER LIVES! An improbable classic of rural American literature, AUGURIES is the harrowing tale of fourteen year-old Catter Knopfler, who is removed from his home in the farm town of Vesuvius and institutionalized-until he escapes into the winter city streets, a hunchbacked fugitive in a stolen purple confessional curtain. First offered for publication in 1986 as "an uplifting story of incest, murder, and grotesque suffering," AUGURIES met with a chilling reception. No publisher would touch it. But like its doughty narrator, AUGURIES endured. Photocopied, passed from hand to hand, and advertised only by word of mouth, the rejected typescript of AUGURIES became an almost instant rarity of the American underground press. While reportedly widely pirated abroad in an unauthorized Chinese translation, the corporate-controlled publishing industry in the United States conspired for years to keep AUGURIES off bookstore shelves. By the time CATTER LIVES! began to appear emblazoned on the walls of the New York City subway, AUGURIES had transcended censorship, critical indifference, and its own gnomic title to become a mythic literary phenomenon.

When her brother calls to say he's been in an accident and needs her help, literary agent and amateur sleuth Allie Cobb doesn't hesitate to go to him. And though she's worried for his safety, her concern turns to confusion when she learns that he ran his truck into a ditch to avoid hitting a large safe sitting in the middle of the road. Stranger still, when the safe is opened, police discover the grisly remains of the local gun club president. All the evidence indicates the dead man was poisoned by lethal injection, and that the drugs could only have come from Allie's favorite veterinarian. Determined to prove the woman's innocence, Allie's digging reveals that the victim's wife may have wanted him out of the picture, and also that he was embroiled in a long-running dispute with a local businessman. With no shortage of suspects and a very ominous sense of danger lurking around her, Allie will have to watch her back, because until the killer is caught, nobody's safe . . . I own a small town bar and grill in the heart of Nowhere, Texas. My name is Mac McIntyre. My bar and I play host to the numerous characters passing through. First there's Hank, a well-known country and western star, who employs Jerry, a highly skilled and just as highly paid chauffeur. I've always wondered why a chauffeur would

study Zen philosophy and every form of martial arts, but then again, I guess it's none of my business. Then there's Hank's sister, Sam, who just moved in, much to the disdain of Noreen, the resident air-head with a knack for sleeping around and hating girls prettier than her. Of course, I have no complaints against Sam, I owed Hank one. Besides, it's been a while and I needed a new waitress anyway, not that I'm trying anything. And Juan, the young boy living just over the border, can't be here every day to help. His English isn't even that great. Then there are the rest of the residents of my bar here at the crossroads, all just trying to enjoy a drink without having to kill each other, or maybe just Noreen, first. I've already been to Vietnam. I don't want to fight in any other wars. Author Bio: I was born in West Palm Beach in the same hospital six years after Burt Reynolds. Raised in Miami until I was 18, I then relocated to Cape Canaveral in '61-62. I studied engineering, but became an entertainer during the folk music craze. I don't know how, but the Original Seven astronauts sort of adopted me and before I knew it, I was an entertainer for the next 25 years. No matter where I was singing, my boss would receive a call from one of the astronauts to let me off long enough to be booked into the Cocoa Beach Ramada Inn lounge, where I appeared for every flight from Mercury through the last Apollo mission.
