itself as the ideal chronologically organized textbook on child development. Exceptionally current, with a broad cultural perspective, the new edition is unmatched. It connects an evolving field shaped by fascinating new research and an evolving classroom shaped by powerful new media. But under the new findings and new media tools, the text's deepest connection with students comes from the captivating, compassionate, authorial voice of Kathleen Berger, which makes the core concepts of developmental psychology clear, compelling, and relevant to the full range of students taking the course. DSM 5 Updates Available for Fall 2014 classes, this update version features new content from Kathleen Berger in response to the release of the DSM-5. This new content is integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 Supplement by Berger is available for Fall 2013 and Spring and Summer 2014 courses. View the Page-Referenced Guide to the DSM-5 updates for The Developing Person Through Childhood and Adolescence.

Edition after edition, Kathleen Berger's acclaimed bestseller, The Developing Person Through Childhood and Adolescence, re-establishes itself as the ideal chronologically organized textbook on child development. Exceptionally current, with a broad cultural perspective, the new edition is unmatched. It connects an evolving field shaped by fascinating new research and an evolving classroom shaped by powerful new media. But under the new findings and new media tools, the text's deepest connection with students comes from the captivating, compassionate, authorial voice of Kathleen Berger, which makes the core concepts of developmental psychology clear, compelling, and relevant to the full range of students taking the course.

The seventh edition comes with significant revision of cognitive development throughout childhood, revised and updated chapters on adolescence, and more attention to emerging and early adulthood. It contains new research on everything from genetics to the timing of puberty, including brain development, life span disorders and cultural diversity.

Exceptional in its currency, global in its cultural reach, Kathleen Berger's portrait of the scientific investigation of childhood and adolescent development helps bring an evolving field into the evolving classroom. Guided by Berger's clear, inviting authorial voice, and page after page of fascinating examples from cultures around the world, students see how classic and current research, and the lives of real people, shape the field's core theories and concepts. In addition to Kathleen Berger's exhaustive updating of the research, this edition is notable for its thorough integration of assessment throughout (learning objectives, assessments after each section, expanded end-of-chapter quizzes) all aligned with national standards. The new edition is also more than ever an integrated

text/media package, moving students from the printed page to online tools that help them develop observation and critical thinking skills. Those online components are all a part of the book's dedicated version of LaunchPad, Worth Publishers' breakthrough online course space in which power and simplicity go hand in hand. To order LaunchPad for free with this text please use bundle isbn 978-1-319-01699-9.

The new edition of the acclaimed classroom favorite for chronologically organized child development courses.

The best-selling CHILD, FAMILY, SCHOOL, COMMUNITY: SOCIALIZATION AND SUPPORT, now in its Tenth Edition, offers an excellent introduction to socialization that is grounded in a powerful conceptual framework-Urie Bronfenbrenner's Bioecological Model of Human Development. Examining how the school, family, and community influence children's socialization, this text addresses complex issues in a clear, comprehensive fashion. Students enjoy reading the book and appreciate its narrative drive, meaningful and timely examples, and effective pedagogy. A sensitive and robust presentation of diversity issues includes matters related to culture, ethnicity, gender, sexual orientation, socioeconomic status and special needs. Updated throughout, this edition features a strong emphasis on NAEYC and NASW standards as well as a new neuroscience feature called "Brain Briefs." Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Each chapter includes a review of key concepts, guided study questions, and section reviews that encourage students' active participation in the learning process; two practice tests and a challenge test help them assess their mastery of the material. Applications and observational activities are also included.

Each chapter includes a review of key concepts, guided study questions, and section reviews that encourage students' active participation in the learning process; two practice tests and a challenge test help them assess their mastery of the material. Applications and observational activities are also included.

This title is the study guide which accompanies The Developing Person Through Childhood and Adolescence 6th edition, (ISBN 0716752573).

This text presents theory, research, practical examples and controversial issues in a way that inspires students to think about development, addressing the individual's role in both the community and the wider world. This second edition contains revised chapters on adolescence and new research into brain development.
