This compelling novel follows four women as they learn to balance children, estranged husbands, boyfriends, and problems at work through their faith in

Download Ebook Diagram

God. Michelle, Tonya, Mrs. Judson, and Miz Ida. African-American, white, rich, poor -- they seemingly have nothing in common. Yet every day they face the complex realities of twenty-first-century urban life as they try to balance their needs with their belief in God.

Through the course of a year, these women must

Download Ebook Diagram

come to terms with the past, discover their true identities, and recognize the unexpected miracles that reveal God's all-encompassing love.

These four women entertain us and invite us to join in their lives. As they welcome us, they also introduce us to the men in their lives.

The men play supporting roles, adding

color and zest to the lives of the Cover Girls. Bishop Jakes knows the struggles real women encounter and the losses that make it difficult to face the future. He brings compassionate insight and deep wisdom to this novel and proves that he is not only a gifted preacher, but a born storyteller.
