“This book will make a profound difference for the church in this moment in history.” — The Most Reverend Michael B. Curry Sometimes it takes disruption and loss to break us open and call us home to God. It ’ s not surprising that a global pandemic and once-in-a-generation reckoning with white supremacy—on top of decades of systemic decline—have spurred Christians everywhere to ask who we are, why God placed us here and what difference that makes to the world. In this critical yet loving book, the author explores the American story and the Episcopal story in order to find out how communities steeped in racism, establishment, and privilege can at last fall in love with Jesus, walk humbly with the most vulnerable and embody beloved community in our own broken but beautiful way. The Church Cracked Open invites us to surrender privilege and redefine church, not just for the sake of others, but for our own salvation and liberation.

Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church’s calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and “in-church” activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book’s 785 pages, by far the lion’s share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

The pew edition of the prayer book of the Anglican Church of Canada. Includes: the Divine Office; Baptism and Reconciliation; the Holy Eucharist; the Proper of the Church Year; Pastoral Offices; Episcopal Offices; Parish Thanksgiving and Prayers; the Psalter; and Music. (ABC).

Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

This is an indispensable resource for your home or parish office. With more than 3,000 clearly written entries, this book will be a handy, quick, general reference for Episcopalians, both lay and ordained. It includes material specific to the Episcopal Church and its history and polity, liturgy and theology, as well as subjects relevant to the whole church. Entries range from Aaronic Benediction to Zwingli.

Engages the question of how dismantling racism now has to be different from the work of the past and offer ways for that journey to progress.

Walk the path of love with one of the warmest, most beloved spiritual leaders of our time, and learn how to put faith into action. As the descendant of slaves and the son of a civil rights activist, Bishop Michael Curry’s life illustrates massive changes in our times. Much of the world met Bishop Curry when he delivered his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle at Windsor Castle. Here, he expands on his message of hope in an inspirational road map for living the way of love, illuminated with moving lessons from his own life. Through the prism of his faith, ancestry, and personal journey, Love Is the Way shows us how America came this far and, more important, how to go a whole lot further. The way of love is essential for addressing the seemingly insurmountable challenges facing the world today: poverty, racism, selfishness, deep ideological divisions, competing claims to speak for God. This book will lead readers to discover the gifts they need in order to live the way of love: deep reservoirs of hope and resilience, simple wisdom, the discipline of nonviolence, and unshakable regard for human dignity.

This revised, expanded edition of the Common Worship President ’ s Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President ’ s Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

- A child’s introduction to Compline - Share the beauty of nature and bedtime prayer with a special child In this bedtime book, join in a candlelit wander through the woods, listening attentively to the river, trees, stars, and moths singing verses from scripture. This beautifully illustrated picture book invites families to enter into a calm, contemplative quieting-down based on a centuries-old practice of evening prayer from the Christian liturgical tradition. Like the beloved Office of Compline, the book helps children “complete” their day and prepare for sleep, fulfilling a hunger for a bedtime prayer that is not simply intercessory, but offers an opportunity to practice listening and contemplation. Appropriate for toddlers and school-children alike, Candle Walk is a wonder-ful way to prepare children for sleep, assured of the nearness of God.
