Pressfield, which is about moving through the resistance we face daily and getting our work done.

~~Do the Work by Steven Pressfield, a Book Summary~~

Whereas The War of Art deals with the real enemy of work and creativity (i.e. Resistance), Do The Work by Steven Pressfield takes you through a step-by-step blueprint for how to defeat that Resistance and actually accomplish the work. The book has a very simple structure.

~~Summary & Review: Do The Work by Steven Pressfield~~

Steven Pressfield: Do the Work is structured to take the reader from A to Z. If the reader has a project they want to start or complete, such as a new business they want to open

Read Free Do The Work Steven Pressfield Free Ebook

or a book they want to write, Do the Work is designed to take them from starting to shipping to hitting all the predictable resistance points along the way.

"This book is designed to coach you through a project (a book, a ballet, a new business venture, a philanthropic enterprise) from conception to finished product, seeing it from the point of view of Resistance."--Page [1].

Part of the Domino Project, powered by Amazon.

The follow-up to his bestseller *The War of Art*, *Turning Pro* navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your mind." --Steven Pressfield

TURNING PRO IS FREE, BUT IT'S NOT EASY. When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE. The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We

tread in blood when we turn pro. WHAT WE GET WHEN WE TURN PRO. What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

From the acclaimed master of historical fiction comes an epic saga about a reluctant hero, the Roman Empire, and the rise of a new faith. Jerusalem and the Sinai desert, first century AD. In the turbulent aftermath of the crucifixion of Jesus, officers of the Roman Empire acquire intelligence of a pilgrim bearing an incendiary letter from a religious fanatic to insurrectionists in Corinth. The content of this letter could bring down the empire. The Romans hire a former legionary,

the solitary man-at-arms, Telamon of Arcadia, to intercept the letter and capture its courier. Telamon operates by a dark code all his own, with no room for noble causes or lofty beliefs. But once he overtakes the courier, something happens that neither he nor the empire could have predicted. In his first novel of the ancient world in thirteen years, the best-selling author of *Gates of Fire* and *Tides of War* returns with a gripping saga of conquest and rebellion, bloodshed and faith.

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? *The War of Art* identifies the enemy that every one of us must

Read Free Do The Work Steven Pressfield Free Ebook

face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

There's a mantra that real writers know but wannabe writers don't. And the secret phrase is this: **NOBODY WANTS TO READ YOUR SH*T**. Recognizing this painful truth is the first step in the writer's transformation from amateur to professional. From Chapter Four: "When you understand that nobody wants to read your shit, you develop empathy. You acquire the skill that is indispensable to all artists and

entrepreneurs—the ability to switch back and forth in your imagination from your own point of view as writer/painter/seller to the point of view of your reader/gallery-goer/customer. You learn to ask yourself with every sentence and every phrase: Is this interesting? Is it fun or challenging or inventive? Am I giving the reader enough? Is she bored? Is she following where I want to lead her?

In a near-future world in which governments and corporations are forced to hire cutting-edge mercenary armies to protect their wealth, the globe's largest private military launches a campaign to take over the United States, prompting a top commander to rebel against the organization's leader. By the author of *The Legend of Bagger Vance*. 70,000 first printing.

THE KNOWLEDGE is not just a writer's coming-of-age story. It's every writer's coming-of-age story. If you're a fan of THE WAR OF ART, Pressfield's new memoir, THE KNOWLEDGE, is the story behind that story and the origin tale between its lines. In the high-crime 1970s in New York, Pressfield was driving a cab and tending bar, incapable of achieving anything literary beyond the completion of his third-in-a-row unpublishable novel. Until fate, in the form of a job tailing his boss's straying wife, propels him into a Big Lebowski-esque underworld saga that ends with him coming to a life-altering crisis involving not just the criminals he has become deeply and emotionally involved with, but with his own inner demons of the blank page.

Read Free Do The Work Steven Pressfield Free Ebook

WARS CHANGE, WARRIORS DON'T We are all warriors. Each of us struggles every day to define and defend our sense of purpose and integrity, to justify our existence on the planet and to understand, if only within our own hearts, who we are and what we believe in. Do we fight by a code? If so, what is it? What is the Warrior Ethos? Where did it come from? What form does it take today? How do we (and how can we) use it and be true to it in our internal and external lives? The Warrior Ethos is intended not only for men and women in uniform, but artists, entrepreneurs and other warriors in other walks of life. The book examines the evolution of the warrior code of honor and "mental toughness." It goes back to the ancient Spartans and
