Christmas 2015, Sydney, New South Wales, Australia. Imagine everyone's surprise when a time portal opens up in Sydney Cove. Imagine their shock as a massive pyramid now sits beside the Harbour Bridge, glowing with energy. Imagine their fear as Cyrus "the mobster" Globb, Professor Horace Jaanson and alien assassin Kik arrive. Finally imagine everyone's dismay when a bunch of con artists turn up to spring their greatest grift yet.

Worlds Offer You A Life of Comfort and Plenty. Apply now at the Dalek Foundation." Sunlight 349 is one of countless Dalek Foundation worlds, planets created to house billions suffering from economic hardship. The Doctor arrives at Sunlight 349, suspicious of any world where the Daleks are apparently a force for good – and determined to find out the truth. The Doctor knows they have a far more sinister plan – but how can he convince those who have lived under the benevolence of the Daleks for a generation? But convince them he must, and soon. For on another Foundation planet, archaeologists have unearthed the most dangerous technology in the universe...

‘ Who am I...? WHO AM I? ’ It's December 1999, and strange things are happening as the new millennium nears. A British police box appears from nowhere in San Francisco 's Chinatown and the mysterious man inside it is shot down in the street. Despite the best efforts of Dr Grace Holloway, the man dies and another stranger appears, claiming to be the same person in a different body: a wanderer in time and space known only as the Doctor. But the Doctor is not the only alien in San Francisco. His deadly adversary the Master is murdering his way through the city and has taken control of the TARDIS. The Master is desperate to take the Doctor 's newly regenerated body for himself, and if the Doctor does not capitulate, it will literally cost him the Earth... and every last life on it.

In a remote clinic in 18th century Italy, a lonely girl writes to her mother. She tells of pale English aristocrats and mysterious Russian nobles. She tells of intrigues and secrets, and strange faceless figures that rise up from the sea. And she tells about the enigmatic Mrs Pond, who arrives with her husband and her trusted physician. What the girl doesn't tell her mother is the truth that everyone at the clinic knows and no one says – that the only people who come here do so to die. An adventure set in 18th century Italy, featuring the Eleventh Doctor as played by Matt Smith and his companions Amy and Rory.

'As long as people have lived here, they've gone out of their way to avoid the woods...' Two teenage girls disappear into an ancient wood, a foreboding and malevolent presence both now and in the past. The modern motorway bends to avoid it, as did the old Roman road. In 1917 the Doctor and Amy are desperate to find out what's happened to Rory, who's vanished too. But something is waiting for them in the woods. Something that's been there for thousands of years. Something that is now waking up. A thrilling, all-new adventure featuring the Doctor, Amy and Rory, as played by Matt Smith, Karen Gillan and Arthur Darvill in the spectacular hit Doctor Who series from BBC Television.

England, today. Between the housing estate and the motorway lies an ancient wood. The motorway bends to avoid it. Last week, teenager Laura Brown went missing. Tonight, Vicky Caine will miss her bus and take a shortcut through the wood. And she will disappear too. England, 1917. Between the village and the main road lies an ancient wood. The old Roman road bends to avoid it. Tonight Emily Bostock and a man called Rory Williams will go to the woods. Investigating events in the present day and back in 1917, the Doctor and Amy are desperate to find out what's happened to Rory. He was supposed to look after Emily — and now they've both vanished. Something is waiting in the woods. Something that's been there for thousands of years. Something that is now waking up...
