'Mind-blowing. It kept me guessing from the beginning to the end' Reader review * * * * * The pitch-black bestselling psychological thriller for fans of Friend Request by Laura Marshall and I Am Watching You by Teresa Driscoll. Alex Taylor wakes up tied to an operating table. The man who stands over her isn't a doctor. The choice he forces her to make is utterly unspeakable. But when Alex re-awakens, she's unharmed - and no one believes her horrifying story. Ostracised by her colleagues, her family and her partner, she begins to wonder if she really is losing her mind. And then she meets the next victim. So compulsive you can't stop reading. So chilling you won't stop talking about it. Tiger is fast asleep, but oh dear! She's lying completely in the way. Just how will the animals get past without waking her up? Luckily, Frog has an excellent idea and, holding his balloon, he floats right over sleeping Tiger! Fox is next, followed by Tortoise, Mouse and Stork, but it will be tricky for them all to get past without Tiger noticing! It's a good job that the reader is there to help keep Tiger asleep, isn't it? But where exactly are they going with all those big shiny balloons? Do you think it might be someone's birthday? Can you guess who?

"What is the combined weight of life and death? People are born, they get educated, work all their lives, make money, get married, have kids and get old. This is the cycle of life. What happens after that? Where is everyone 's life ultimately heading to? What is really out there? Is it created by God or the Big Bang? What is that one thing that is common to all of us, irrespective of nationality, religion, economic status and social standing? Brace yourself: you are still alive and reading this. We all are standing in the same long queue, waiting for our turn. Nobody wants to die; even the people who want to go to heaven don ' t want to die to get there. We are all praying, but is He really listening? Even the people who pray everyday are going to die someday. What do they say about all this? Who is to blame for it? Is God behind all this? Is it even Him? What is the one thing that money cannot buy? Can vegetarians live forever by saving all the other animals? Why does life exist on earth? What is the driving purpose behind life? Did God create religion? Do all the good people really go to heaven? What if you don ' t wake up alive tomorrow morning? It is the perfect time to find out... Are you ready to face the truth? The truth will set you free, But before that... it pisses you off!"

Don ' t Wake the Dragon is a fantastic and interactive bedtime story featuring a sound-asleep dragon who under no circumstances is to be woken up! Children are tasked with checking in on the sleeping dragon as the castle cook drops his pots and pans and when the knights throw a loud birthday party. It isn ' t until the whole kingdom settles down that the dragon wakes up. What is the kingdom to do? Designed to be read aloud and interacted with, parents will take pleasure in the playful text as much as children will enjoy gently rocking the book from side to side as they sing the dragon a lullaby. When the story finally comes to an end, and the gentle lullaby is repeated, the dragon (and the child!) is encouraged to drift off to sleep. The whimsical and colorful illustrations enable the dragon to jump off the page and will delight the reader with its humor and personality on every page. Creates a wonderful bedtime ritual with children that they will look forward to every night.
