The iPad Mini Survival Guide organizes the wealth of knowledge about the seven-inch iPad into one place, where it can be easily accessed and navigated for quick reference. This guide comes with countless screenshots, which complement the step-by-step instructions and help you to realize the iPad Mini's full potential. The iPad Mini Survival Guide provides useful information not discussed in the official iPad Mini manual, such as tips and tricks, hidden features, and troubleshooting advice. You will also learn how to download FREE games and FREE eBooks and how to make VIDEO CALLS using FaceTime. Whereas the official iPad Mini manual is stagnant, this guide goes above and beyond by discussing recent known issues and solutions that may be currently available. This information is constantly revised for a complete, up-to-date manual.

"The mini T-RRIBLE" is a new children's book for children aged 3-6, written and illustrated by Children's Author J.N. PAQUET (who is also the creator of "The Book of The Animals" series). It is the lighter version of "The T-RRIBLE" for the older 6-9."The mini T-RRIBLE" is the 50 page story of a very special boy called Oliver Bluemoon. What is very special about Oliver is the fact that he is bilingual. One day, a strange little monster, "The T-RRIBLE," knocks at his door and asks him to travel to his planet because only HE can save his people from a gigantic asteroid that is about to destroy everything. Will Oliver succeed? With his new book "The mini T-RRIBLE," children's author J.N. PAQUET, as in his previous children's books, has created yet another very special story which stimulates the children to engage with their own imagination and have an enjoyable reading experience, both with their parents, teacher or educator and on their own.Its educational aim is to drive the bilingual fun-learning and the reading comprehension through an extraordinary story that shows to the children the importance of speaking other languages.Always keen to promoting bilingualism, literacy and fun-learning, "The mini T-RRIBLE" contributes to the children's linguistic awareness and development and also teaches the children the benefits of making decisions, developing ideas and thinking on their own.The colourful handmade illustrations, all created and painted by the author himself, open the children to his colourful new world where they will, episode after episode, get to meet some funny little creatures, visit their lands and kingdoms, discover their honey trees secret and where, more than anything else, there is no limit to anyone who is bilingual and loves books.The story promotes team working and friendship, among other moral values, and how these values can help avoid unnecessary conflicts. Although it was written for all children aged 3-6, it has a special appeal to the children who, living in bilingual families, sometimes don't want to be bilingual anymore. "The mini T-RRIBLE" shows them that being bilingual is a great asset, it should always be cherished and it will be useful in their future lives.After all, bilingualism is more than speaking two languages. It is also about learning from others: their culture, their life and their differences. Learning from each other is all that is needed to build a better world... right here, on Earth!FINDING THE BOOKThe book is available both in paperback and eBook formats. It can be ordered online from any Amazon website. It is also on sale worldwide from all leading book retailers (Barnes & Noble, Waterstones, WHSmith, Books etc, Angus & Robertson, etc). The eBook format can be ordered on Kindle, Kindle Touch, Kindle Paperwhite and Kindle Fire (via Amazon, Waterstones, etc), on Kobo, Kobo Touch, Kobo Arc, Kobo Glo (WHSmith, Indigo, Angus & Robertson, Livraria Cultura, etc) and on all tablets through Google Play (for iPad, iPhone, Sony, Samsung Galaxy Tabs, etc) or via downloadable eReading Apps for tablets, PC and Mac.Visit the official website for more information: www.T-RRIBLE.comSUPPORTERS"The T-RRIBLE", "The mini T-RRIBLE" and J.N. PAQUET's collection of children's books are supported by ABRIR, a Brazilian Association for Educational Projects in the UK. ABRIR provides information about educational projects for the Brazilian community in the UK. It is a UK registered charity with the HMRC (XT26396) and a member of the National Resource Centre for Supplementary Schools (NRC787). More information available at: www.ABRIR.org.uk

"The T-RRIBLE" is back in a new special Christmas adventure. A naughty T-RRIBLE wants to ruin Christmas! He has stolen both Father Christmas' Nice List and Naughty List! What is going to happen? Will Oliver and The T-RRIBLE save the day? With his new book "The mini T-RRIBLE 2," children's author J.N. PAQUET, as in his previous children's books, has created yet another very special story which stimulates the children to engage with their own imagination and have an enjoyable reading experience, both with their parents, teacher or educator and on their own. Its educational aim is to drive the bilingual fun-learning and the reading comprehension through an extraordinary story. Among other moral values, the story promotes team working and friendship, explains how important it is to accept and embrace our own differences as well as the others', and most importantly teaches about redemption and forgiveness. The colourful handmade illustrations, all created and painted by the author himself, open the children to his colourful new world where they will, episode after episode, get to meet some funny little creatures, visit their lands and kingdoms, and discover their honey trees secret. Although it was written for all children aged 3-6, it has a special appeal to the children living in bilingual families. Learning from each other and accepting one another is all that is needed to build a better world… right here, on Earth!

Almost overnight, EPUB has become the favored standard for displaying digital text on ereaders. The EPUB specification is a powerful method for creating gorgeous ebooks for EPUB-capable readers such as the iPad, Nook, and Kindle. Alas, it is far from perfect, with frustrating limitations, sketchy documentation, and incomplete creation tools. This extensively researched guide to creating EPUB files by best-selling author Elizabeth Castro shows you how to prepare EPUB files, make the files look great on the screen, work around EPUB weaknesses, and fix common errors. In this essential book, Liz shares her hard-earned experience for how to: Create EPUB files from existing Microsoft Word or Adobe InDesign files, or from scratch. Tweak EPUB files to take full advantage of the power of EPUB in each respective ereader. Control spacing, indents, and margins. Insert images and sidebars and wrap text around them. Create links to external sources and cross-references to internal ones. Add video to ebooks for the iPad.

Enter a world of magic full of witches and wizards with this wonderfully written, fully complete work of fantasy. This potion book is completed with over 24 potions, complete with instructions, ingredients and spells. This isn't just another blank book to sit on your shelf but something you and your friends will want to read and study for years to come. Note: this is NOT a real potion book but is made for the fan of all things magical. At least we don't think any of the potions are real... but haven't tried them with actual unicorn horns or goblin blood so we might be wrong.
