Capitalism, socialism, and communism: What's the difference? Corporations: Are they people? For those who want to better understand what Wall Street and Washington know (or say they know), this graphic history, with clear, witty writing and quirky, entertaining art, transforms "the dismal science" of economics into a fun, fact-filled story about human nature and our attempts to make the most of what we've got. "Quite accessible . . . Goodwin brilliantly contextualizes economic theories with historical narrative, while Burr's simple but elegant illustration employs classical
