its broadest sense, as a truly international and interdisciplinary field in which various approaches, theoretical and empirical, supplement and complement each other. The series invites the attention of linguists, language teachers of all interests, sociologists, political scientists, anthropologists,

Read PDF English For

historians etc. to the development of the sociology of language.

Chinese and English are the world's largest languages, and the number of interpreter-mediated interactions involving Chinese and English speakers has increased exponentially over the last 30 years.

This book presents and

Read PDF English For

describes examples of Chinese–English interpreting across a large number of settings: conference interpreting; diplomatic interpreting; media interpreting; business interpreting; police, legal and court interpreting; and healthcare interpreting. Interpreters working in these fields face not

Read PDF English For

only the challenge of providing optimal interlingual transfer, but also need to fully understand the discourse-pragmatic conventions of both Chinese and English speakers. This innovative book provides an overview of established and contemporary frameworks of intercultural
