The main aim of this book is to make advanced students of English understand grammatical categories and their inter-relationships. Each section in a chapter is based on the discussion of a grammatical category along with illustrative sentences. This book can be used as a coursebook for BA (Hons) English, B.Ed (English Methods), MA English, M. Phil English, and the Post Graduate Diploma in the teaching of English.

visually oriented readers of all levels. Coverage of quantitative, qualitative, and other research methodologies provides a solid foundation to conduct, appraise, and apply research evidence to the realities of today's clinical practice. Balanced coverage of qualitative and quantitative methods addresses the qualitative research methodologies that are often the starting point of research projects, particularly in magnet hospitals and DNP programs. Clear, comprehensive coverage is organized into five units that include: an introduction to nursing research; coverage of the research
