Maximize your course success with the integrated eBook and chapter-specific learning tools that include flashcards, quizzes, videos, and more in your CourseMate.

Compact disc contains 25 tracks of music by different performers as listed in the text.

Offering outstanding listening pedagogy, THE ESSENTIAL LISTENING TO MUSIC 2e delivers a streamlined and succinct presentation of classical music that inspires a lifelong appreciation of music. Scholar and master-teacher Craig Wright focuses on the key concepts and works presented within a typical Music Appreciation course. Organized chronologically, the text discusses musical examples from each historical period within its social context--giving students a sense of a piece's construction as well as its historical and cultural meaning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Compelling and accessible, THE POWER OF ART features gorgeous images and themes that connect with today's students and an engaging writing style that's praised by instructors and students alike. The revised third edition delivers a brief yet comprehensive survey which demonstrates that art is everywhere and relevant to all students. The text incorporates global material, reflecting cultural intersections and mutual influences--and Art News boxes present real events, connecting art to students' lives. In addition to excellent art history coverage, THE POWER OF ART features a diverse mix of artists and spotlights current trends in artistic mediums and themes. Important

Created through the continuous feedback of a student-tested, faculty-approved process, MUSIC, Second Edition delivers a visually appealing and succinct print component with tear-out review and prep cards for students and instructors. MUSIC also includes a consistent online offering with CourseMate, featuring an eBook and a set of interactive digital tools--all at a value-based price and proven to increase retention and outcomes. MUSIC introduces a broad range of styles and genres from the Middle Ages through the twenty-first century, highlighting the connections and contrasts between them. The result is a well-rounded view of musical life in each era. MUSIC is designed to meet the needs of instructors who want to give their students an inexpensive and brief text with an appealing magazine style and short chapters that can easily be read in a sitting, as well as a strong technology component. The text is accompanied by an audio CD, music downloads, an interactive MindTap™ eBook, and a CourseMate website with streaming music, interactive listening guides, interactive demos, videos, quizzing, flashcards, and more. (Music downloads must be accessed with a Sony Music Download Cards, available separately.) Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Combining a student-friendly presentation with cutting-edge digital resources, LISTENING TO WESTERN MUSIC equips you with the tools to actively listen to and inspire a lifelong appreciation for music. Known for his clear, conversational style, Professor Wright helps you immediately find connections to music by comparing pop and classical music concepts. His text is organized chronologically and discusses musical examples from each era in its social context -- describing the construction and culture of each piece. LISTENING TO WESTERN MUSIC is fully integrated with MindTap to better help you develop your listening skills and maximize your course success. Online resources include interactive exercises, streaming music, Active Listening Guides, chapter and critical thinking quizzes, iAudio lectures, YouTube videos, Beat the Clock games, and more. You also can download all music directly to a music library. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Created through a "student-tested, faculty-approved" review process, LIT includes a wide selection of essential classic and contemporary readings, along with brief introductions to the literary genres, useful writing suggestions, and a down-to-earth, accessible guide to writing about literature. "In Review" cards at the back of the Student Edition offer a detachable, portable study tool containing useful study questions and checklists for each reading selection. For your class preparation, LIT offers "Instructor Prep" cards (in the Instructor's Edition) with teaching tips and a list of corresponding resources for each part of the book.

Created through a student-tested, faculty-approved review process, MR2 is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners. MR2 provides an exciting, innovative approach to Marketing Research that provides the material needed for a successful course. Attention CourseMate user: The CourseMate platform is being sunset and will not be sold with this title after December 31st, 2019. Cengage will support existing users of CourseMate through August 1st, 2020. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Packed with hundreds of examples of classic and contemporary art, FOUNDATIONS OF ART AND DESIGN, 2E delivers a comprehensive guide to basic design that provides the ideal foundation to design principles. Appealing to readers at every ability level, the text's logical and structured organization moves from micro to macro topics, enabling learners to build on ideas and concepts of design and better understand the material. A running glossary defines key terms in the margins of the text, while two Visual Glossaries at the end of the book focus on styles and mediums. In addition, new Theory and Practice boxes help readers more deeply analyze artwork, and Artists on Art boxes offer insight from professional artists. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
