False intimacy is when I go after someone for reasons that have nothing to do with them as a person. False intimacy is when I tell someone I like them but really I just feel extremely shit about myself. False intimacy is when I can't let go of someone merely because of my low self-esteem and past hung-ups.

False Intimacy : effectivebehavior.com

False intimacy is often mistaken for true love because it can be intense. The " Figure-Eight ", as it relates to relationships problems and false intimacy, is a great way to explain how this intensity develops in a relationship. Beneath the waterline of awareness in the iceberg Model lies the emotional woundedness of abandonment, shame, and contempt.

False Intimacy vs True Intimacy | Serenity Creations Online

Bottom line: False intimacy is based on an illusion woven by the father of lies himself. This illusion boldly states that certain actions or thoughts, explicitly forbidden by God, hold great power to give us satisfaction, fulfillment, control or relief from emotional pain.

The Enticing Fruit of False Intimacy - Focus on the Family

The false intimacy fostered by the hairlessness norm furthers the intrusion of sexist bodily norms into women's psychic lives at the same time that it lets women know in no uncertain terms that their bodies are public property, that intimacy is not a privilege that is theirs to negotiate with people of their choosing, to choose and consent to, but that they must always be on their guard.

With frank honesty, False Intimacy offers realistic direction to those whose lives or ministries have been impacted by sexual addiction while examining the roots behind these behaviors. This compelling book examines different aspects of sexual addiction, including shame, purity, and forgiveness, while exploring one's true identity and God-given sexuality.

Teens can learn to break free from the past and make choices needed to take hold of the authentic love God offers.

In this important and transformative guide, three experienced practitioners identify the widespread dysfunctional dynamic they call "irrelationship," a psychological defense system two people create together to protect themselves from the fear and anxiety of real intimacy in a relationship. Drawing on their wide clinical and life experience, the authors examine behavioral "song-and-dance routines" repeatedly performed by couples affected by irrelationship. Readers will find a valuable framework for understanding their challenges with action-oriented tools to help them navigate their way to fulfilling relationships. Mark B. Borg, Jr., PhD, is a community psychologist and psychoanalyst, and a supervisor of psychotherapy at the William Alanson White Institute. Grant H. Brenner, MD, is a board-certified psychiatrist in private practice, specializing in treating mood and anxiety disorders and the complex problems that may arise in adulthood from childhood trauma and loss. Daniel Bery, RN, MHA, has practiced as a Registered Nurse in New York City since 1987 and has worked for almost two decades in community-based programs.

Pornography is powerful. Our contemporary culture as been pornified, and it shapes our assumptions about identity, sexuality, the value of women and the nature of relationships. Countless Christian men struggle with the addictive power of porn. But common spiritual approaches of more prayer and accountability groups are often of limited help. In this book neuroscientist and researcher William Struthers explains how pornography affects the male brain and what we can do about it. Because we are embodied beings, viewing pornography changes how the brain works, how we form memories and make attachments. By better understanding the biological realities of our sexual development, we can cultivate healthier sexual perspectives and interpersonal relationships. Struthers exposes false assumptions and casts a vision for a redeemed masculinity, showing how our sexual longings can actually propel us toward sanctification and holiness in our bodies. With insights for both married and single men alike, this book offers hope for freedom from pornography.

One of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in Intimacy: Trusting Oneself and the Other. " Hit-and-run " relationships have become common in our society as it has grown more rootless, less tied to traditional family structures, and more accepting of casual sex. But at the same time, there arises an undercurrent of feeling that something is missing—a quality of intimacy. This quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the " 1000 Makers of the 20th Century " and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Shows how to turn conflict and disappointment in a relationship into opportunities for learning, mutual growth, and intimacy

Amid the chaos of cybersex, impersonal sex, adultery, homosexuality, and sexual dissatisfaction in marriage, Undefined calls readers toward a new kind of spiritual and sexual revolution. Sexual impurity creates a vicious circle, one that springs from misconceptions about Christ and further taints our understanding of Him. Yet another circle is available to men and women trapped in sexual sin, a circle of sexual redemption. When practiced as God intends, spirituality and sexuality both draw us closer to Christ. Spiritual maturity and sexual maturity go hand-in-hand, and together they hold out the promise of redemption and restoration needed by everyone who has been damaged by sexual sin. There is hope. Real change is possible; true intimacy is available. To the person who has failed time and time again sexually, God's message is simple: You, too, can be undefined.
