Financial & Managerial Accounting | 16th Edition 9780078111044 ISBN-13: 0078111048 ISBN: Susan F. Haka , Joseph V. Carcello , Sue Haka , Jan Williams , Joseph Carcello , Mark S. Bettner , Mark Bettner , Jan R. Williams Authors:

Blending theory with real-life applications, the 8th Edition of **LAW AND ETHICS IN THE BUSINESS ENVIRONMENT** presents up-to-the-minute issues in business ethics, along with the latest in case law for an exciting and thought-provoking text. Rather than shying away from controversial topics, the text encourages lively classroom debate on everything from privacy and workers' rights to diversity and stereotyping. Its insightful cases, end-of-chapter questions, historical quotes, and chapter projects sharpen your critical thinking skills, while a wealth of interactive assignments like role plays, mock trials, roundtables, and negotiations prepare you for the ethical and legal dilemmas of the business world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"As our eyes are drawn upward to the skyline of great cities, it's important to remember that these impressive constructions are able to reach such heights only because their foundations are strong. In much the same way, being successful in the business world begins with fundamental courses like financial and managerial accounting. It is only when students have a firm grasp of concepts like the accounting cycle and managerial decision making that they have a base on which to stand, a strong foundation on which to grow. In this edition, as before, the Williams team has revised the text with a keen eye toward the principle of helping students establish the foundation they will need for future success in business. However, through new coverage of International Financial Reporting Standards and a revised globalization chapter, the Williams book also introduces students to larger themes and evolving concerns. This dual emphasis allows students to keep their eyes trained upward even as they become solidly grounded in accounting fundamentals"--

Gain a strong foundation in financial accounting that prepares you for future study and success in today's business world with Warren/Jonick/Schneider's leading FINANCIAL ACCOUNTING, 16E. This edition connects financial accounting concepts to the "bigger picture" as chapter-opening schemas clearly demonstrate how each chapter's content fits within the overall framework of the book. The digital CengageNOWv2's Journal Entry Tool reinforces this approach by automatically illustrating the impact of transactions on the accounting equation. This book's hallmark presentation of the accounting cycle provides an unmatched foundation for later chapters and even upcoming coursework and your career. The authors have carefully streamlined content and improved learning features throughout this edition and CengageNOWv2's digital resources to ensure you have the understanding of today's financial accounting and specific tools to succeed.

This study aid provides suggestions for studying chapter material, summarizes essential points in each chapter, and tests students knowledge using self test questions and exercises.

This market leading textbook walks the student through the process of setting up a company in QuickBooks in a step-by-step manner, allowing the student to learn QB without requiring as much assistance from their instructor. Each chapter builds on the previous chapter as the student progresses from entering simple transactions to using advanced QuickBooks features. The first part of the text provides a hands-on introduction to QuickBooks, and the second half focuses on maintaining a service and merchandising business, as well as on advanced features of QuickBooks.
