Understand both the key concepts and modern developments within the global food and beverage service industry with this new edition of the

internationally respected text. An invaluable reference for trainers, practitioners and anyone working towards professional qualifications in food and beverage service, this new edition has been thoroughly updated to include a greater focus on the international nature of the hospitality industry. In addition to offering broad and in-depth coverage of concepts, skills and knowledge, it explores how modern trends and technological developments have impacted on food and beverage service globally. - Covers all of the essential industry knowledge, from personal skills, service areas and equipment, menus and menu knowledge, beverages and service techniques, to specialised forms of service, events and supervisory aspects - Supports a range of professional food and beverage service qualifications, including foundation degrees or undergraduate programmes in restaurant, hotel, leisure or event management, as well as in-company training programmes - Aids visual learners with over 200 photographs and illustrations demonstrating current service conventions and techniques

Ensure you have all the essential skills and support you'll need to succeed for the latest Level 1 Certificate and Level 2 Diploma in Professional Food and Beverage Service. Specifically designed with Level 1 and Level 2 learners in mind, this resource explains all key concepts clearly, and the topics are mapped carefully to both the NVQ and VRQ in Professional Food and Beverage Service at Levels 1 and 2 so you can find what you need easily. - Follow the structure of the units in each qualification with chapter headings and subheadings matched to the qualifications. - Master important service skills with photographic step-by-step sequences. - Grasp important definitions with key terms boxes and a glossary. - Test your understanding with activities at the end of every chapter which will help you prepare for assessment

This introductory textbook provides a thorough guide to the management of food and beverage outlets, from their day-to-day running through to the wider concerns of the hospitality industry. It explores the broad range of subject areas that encompass the food and beverage market and its five main sectors – fast food and popular catering, hotels and quality restaurants and functional, industrial, and welfare catering. New to this edition are case studies covering the latest industry developments, and coverage of contemporary environmental concerns, such as sourcing, sustainability and responsible farming. It is illustrated in full colour and contains end-of-chapter summaries and revision questions to test your knowledge as you progress. Written by authors with many years of industry practice and teaching experience, this book is the ideal guide to the subject for hospitality students and industry practitioners alike.

A revision aid for students taking qualifications in food and beverage service. The text includes all types of questions found on examinations

Fifth edition of the best-selling textbook updated and revised to take account of current trends such as the experience economy, CSR, connectivity and smart controls, and allergen and data protection laws.
