Lauren Jakes is the long lost cousin Liv and Sophie never knew they had. Abducted by the Scourge, she formed a connection with Xairn more meaningful than any other in his life. Now a conflict is brewing-both in Xairn's soul, and aboard the Fathership where the twisted AllFather has hatched a new, malicious plot to bring his estranged son home. Can Xairn resist the brutal lust growing within him? Can he fight against his very nature which urges him to dominate and control any female he mates? Can Lauren heal his heart before the AllFather's trap closes on both of them? And can she teach him how to love before it's too late?
