----- Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high-quality reproductions of original, classic printed works at affordable prices. This book has been carefully crafted to utilize the original images of antique books rather than error-prone OCR text. This also preserves the work of the original typesetters of these classics, unknown craftsmen who laid out the text, often by hand, of each and every page you will read. Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today, and gave each book a unique, hand-crafted feel in its text that connected the reader organically to the art of bindery and book-making. We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning, and their vintage feel provides a connection to the past that goes beyond the mere words of the text.

Musical score

Beloved for his 32 Rose Etudes for Clarinet book, C. Rose -- full name Chrysogone Cyrille Rose was an important French clarinetist, and served as principal clarinet at the Paris Opera. He was a teacher and composer of pedagogical material for the clarinet, much of which (like this 32 Etudes) is still widely in use today. Cyrille Rose was taught by Hyacinthe Klos é . He studied under Klos é at the Paris Conservatoire, winning the First Prize in 1847. He taught many famous clarinet players, such as: Louis Cahuzac, Paul Jean, Manuel Gomez, Francisco Gomez, Henri Lef è bvre, Henri Paradis, Henri Selmer, and Alexandre Selmer.

This volume is planned as a sequel to Book One or any other of the various elementary and intermediate books. A definite order of study has been worked out to give the student a thorough knowledge of major and minor keys along with many necessary rhythmic figures and fingering problems of the clarinet. The material is progressive and is written so that the student will not read the works at sight but rather will need to study each portion for mastery.
