Each chapter contains practical ideas for using writing in the classroom, along with a discussion of the theories on which these ideas are based. In keeping with the hands-on nature of the book, workshop materials are provided at the end of every chapter, including invitations to write journals, workshop exercises, handouts and worksheets, and teacher and student responses to workshop experiences. Chapter topics are arranged in the same order as they might be discussed at an interdisciplinary writing workshop, though each stands as a relatively independent essay.
