Digital Storytelling shows you how to create immersive, interactive narratives across a multitude of platforms, devices, and media. From age-old storytelling techniques to cutting-edge development processes, this book covers creating stories for all forms of New Media, including transmedia storytelling, video games, mobile apps, and second screen experiences. The way a story is told, a message is delivered, or a narrative is navigated has changed dramatically over the last few years. Stories are told through video games, interactive books, and social media. Stories are told on all sorts of different platforms and through all sorts of different devices. They 're immersive, letting the user interact with the story and letting the user enter the story and shape it themselves. This book features case studies that cover a great spectrum of platforms and different story genres. It also shows you how to plan processes for developing interactive narratives for all forms of entertainment and non-fiction purposes: education, training, information and promotion. Digital Storytelling features interviews with some of the industry 's biggest names, showing you how they build and tell their stories.

This first definitive retrospective of the Easy-Bake(r) Oven celebrates its journey from children's toy to pop culture icon. The book explores the innovation, history, economics, commerce, advertising, and marketing behind the toy's 50 year histor

Once upon a time there was a story. It was a lovely story with absolutely NO BEARS in it-not a SINGLE BEAR anywhere. Then one day...MORE BEARS! KENN NESBITT is possibly the funniest and most sought-after children's poet writing today. When he's not writing, podcasting, updating his website (poetry4kids.com), or visiting schools sharing his wacky brand of humor with kids across America, Kenn can be found cuddling his collection of stuffed bears. He seriously cannot get enough of bears. Or chickens. TROY CUMMINGS has been drawing goofy animals pretty much nonstop since kindergarten. His illustrations have appeared in newspapers, in magazines, on websites, on frozen fish stick packages, and in hospital waiting rooms. He hibernates in Greencastle, Indiana, with his wife and cubs.

Journey through the fascinating world of dinosaurs with everyone's favorite Cat in the Hat in this positively prehistoric adventure! The Cat in the Hat's Learning Library is a nonfiction picture book series that introduces beginning readers ages 5-8 to important basic concepts. Learn about how fossils are formed and found, and get an easy introduction to dinosaurs from the flying Archaeopteryx to the spiky Ankylosaurus. (And not to fear—the Cat in the Hat will break the names down for easy pronunciation for kids and parents.) Perfect for readers who are crazy about dinosaurs (or even just dino-nuggets) and for any kid who loves learning and science. Featuring beloved characters from Dr. Seuss's The Cat in the Hat, the Learning Library areunjacketed hardcover picture books that explore a range of nonfiction topics about the world we live in and include an index, glossary, and suggestions for further reading.

Encourages young readers to lift the flaps to find friends who are hiding all around Bubbletucky.

A Board Game Education is an entertaining and valuable resource for parents, teachers, educators, and anyone who appreciates the fun and entertainment provided by classic, traditional board games. The book provides an informative analysis of how classic board games that everyone has played_and probably owns_are not only great family entertainment but also develop core educational skills that have been proven to lead to academic achievement. Through A Board Game Education readers learn a bit of the fascinating history trivia and little-known facts regarding the most loved board games of all time (i.e., how Monopoly was used by WWII POWs to escape). At the same time, Hinebaugh identifies the distinct educational skills developed by each of these games and explores in detail how the play of these games cultivates such skills. A Board Game Education also provides valuable suggestions about how to modify and vary these classic board games to specifically enhance additional core educational skills and concepts. Who would have thought that Candy Land could be modified into a strategy game and Chutes and Ladders could be used to teach algebraic equations and advanced math.

Are you uncomfortable engaging in conversation? Do you have trouble making friends? Have you longed to have your deeply rooted social anxiety eliminated by a slender paperback you can read cover-to-cover over several lunch breaks? If your answer is yes - or if you're looking for the perfect birthday gift for that special nervous someone - the book you've been waiting for has arrived. Oh, the Humanity! will see you through all your interpersonal struggles: "How can I boost my self-confidence? I've already tried crying all day and avoiding my horrible reflection in the mirror. Is there something else that might work?" "I'm not very good at small talk. How can I get the least out of every word I use?" "What exactly is 'body language'? My arrest record suggests I need some clarification." "My hobbies include scrapbooking, swimming with dolphins, and taking chain letters seriously. How can I find people with similar interests?" "I recently decided to become a hipster schmuck. How can I rid myself of current friends incompatible with my new, ill-advised persona?" Plus, somewhat more! Life is a precious gift that could be hit by a bus tomorrow. Isn't it time you lived it the way some total stranger who wrote a book thinks you should? Oh, the Humanity! is all you'll ever need to jump-start your social skills! You'll also need a promotional Frisbee if we get some of those made.

In this interactive unicorn novelty book, readers spin a wheel to animate the character on the front cover. Sparkly holographic foil creates a truly impressive effect as the unicorn's horn, mane, and tail seem to flow with magical energy! More interactive mechanisms are featured inside the book. Push, pull, spin, and slide your way through the unicorn's enchanted land as she helps other magical creatures, clears away a rainy day, and plays with her unicorn friends. With gentle rhymes, bright colors, and a bit of sparkle and shine, this magical unicorn is sure to delight!
