Gandhi the Man : How One Man Changed Himself to Change the ...

According to Gandhi, religion is not about what a man believes, it is about how a man lives, how he relates to other people, his conduct towards others, and one's relationship to one's conception of god.

A portrait of the great Indian leader seeks to uncover the personal and spiritual qualities which shaped Gandhi's life and made him the charismatic leader of millions. Original.

Gandhi the Man tells how Gandhi remade himself from a shy, tongue-tied, average little man to a Mahatma whose life can serve as an inspiration for our own transformation....

An analysis of Gandhi's accomplishments as a politician and civil rights advocate reveals his conflicted ideologies and feelings about his place in history, offering insight into his philosophies, social campaigns, and private disappointments.

"This book shows how Gandhi's early life in the law played a critical role in the subsequent evolution of his philosophy and theory of nonviolent civil disobedience. The author traces Gandhi's maturation from a tongue-tied novice to a competent professional, from civil rights lawyer to freedom fighter, finally integrating his principles of morality and spirituality into his political life"--Provided by publisher.

A revisionist assessment of Gandhi's life and conflicted character includes coverage of his privileged upbringing in Gujarat, early civil rights campaigns, famous embrace of civil disobedience in the 1920s and 1930s and his 1948 assassination months after India's independence.

Opening in July 1914, as Mohandas Gandhi leaves South Africa to return to India, Gandhi: The Years That Changed the World, 1914-1918 traces the Mahatma's life over the three decades preceding his assassination. Drawing on new archival materials, acclaimed historian Ramachandra Guha follows Gandhi's struggle to deliver India from British rule, to forge harmonious relations between India's Hindus and Muslims, to end the pernicious practice of untouchability, and to nurture India's economic and moral self-reliance. He shows how in each of these campaigns, Gandhi adapted methods of nonviolence that successfully challenged British authority and would influence revolutionary movements throughout the world. A revelatory look at the complexity of Gandhi's thinking and motives, the book is a luminous portrait of not only the man himself, but also those closest to him—family, friends, and political and social leaders.

A new and illuminating portrait of one of the greatest figures of the twentieth century. Mohandas Karamchand Gandhi has been the subject of over a dozen well-regarded biographies, yet key aspects of the man still prove elusive. In this book, Rajmohan Gandhi, a grandson of Mahatma Gandhi and an acclaimed biographer and scholar, attempts to understand the phenomenon that was Gandhi. This he does by examining in detail dominant and varied themes of Gandhi's life"his unsuccessful bid to keep India united, his attitude towards caste and untouchability; his relationship with those whose empire he challenged; his controversial experiments with chastity; his views on God, truth and non-violence; and his selection of heirs to lead a new-born nation. For a generation growing up on images of a simplified Father of the Nation and apostle of non-violence frozen in statues or reduced to a few predictable strokes of an artist's pen, this biography offers a rewarding insight into the man, his victories and his defeats.

This edition presents the life and legacy of the legendary Indian Political Leader written by Romain Rolland, French novelist and Nobel Prize winner. The book includes the historical facts about the Indian culture and history, telling a lot about the British colonization and how they got their independence while trying to keep the violence at minimum under the leadership of Mahatma. Mahatma Gandhi was an Indian lawyer, anti-colonial nationalist and political ethicist, who employed nonviolent resistance to lead the successful campaign for India's independence from British Rule, and in turn inspired movements for civil rights and freedom across the world. Rolland's book shows Gandhi's greatness and humanity, and promote being human, regardless of any religion or profession. Gandhi symbolizes the human aspect of politics and political and spiritual leadership. The biography also offers some historical facts about the Indian culture and history, telling a lot about the British colonization and how they got their independence while trying to keep the violence at minimum under the leadership of Mahatma.

DIV In his Autobiography, Gandhi wrote, "What I want to achieve—what I have been striving and pining to achieve these thirty years—is self-realization, to see God face to face. . . . All that I do by way of speaking and writing, and all my ventures in the political field, are directed to this same end." While hundreds of biographies and histories have been written about Gandhi (1869–1948), nearly all of them have focused on the political, social, or familial dimensions of his life. Very few, in recounting how Gandhi led his country to political freedom, have viewed his struggle primarily as a search for spiritual liberation. Shifting the focus to the understudied subject of Gandhi's spiritual life, Arvind Sharma retells the story of Gandhi's life through this lens. Illuminating unsuspected dimensions of Gandhi's inner world and uncovering their surprising connections with his outward actions, Sharma explores the eclectic religious atmosphere in which Gandhi was raised, his belief in reincarnation, his conviction that morality and religion are synonymous, his attitudes toward tyranny and freedom, and, perhaps most important, the mysterious source of his power to establish new norms of human conduct. This book enlarges our understanding of one of history's most profoundly influential figures, a man whose trust in the power of the soul helped liberate millions. /div
