"A tense, fast-paced fantasy." —Taylor Fenner, author of The Haunting Love After seven grueling years of captivity in the Garden—a burlesque troupe of slave girls—sixteen-year-old Rose finds an opportunity to escape during a performance for the emperor. But the hostage she randomly chose from the crowd to aid her isn't one of the emperor's men—not anymore. He's the former heir to the throne, who is now leading a rebellion against it. Rayce is a wanted man and dangerously charismatic, the worst person for Rose to get involved with, no matter what his smile promises. But he assumes Rose's attempt to take him hostage is part of a plot to crush the rebellion, so he takes her ashis hostage. Now Rose must prove where her loyalties lie, and she offers Rayce a deal—if he helps her rescue the other girls, she'll tell him all the Garden's secrets. Except the one secret she's kept for seven years that she'll to take to her grave if she must. The Garden of Thorns series is best enjoyed in order. Book #1 Garden of Thorns Book #2 War of the Wilted

When Amethyst Faye was six-years-old, she was almost stolen by a monster in the woods on the same night her mother mysteriously disappeared. Ten years, a half dozen psychiatrists, and a slew of diagnoses haven't made things any better; she is still plagued by nightmares, ridiculed at school, and misunderstood by everyone from her teachers to her counselor to her father. And lately she's been sprouting thick green thorns out of her skin.When the paranoia doesn't end, and the treatment options run out, she's faced with a choice between inpatient treatment or spending the summer with a grandmother she hasn't heard from in a decade.Summer at Gran's in Morgan Springs wins out, just barely, and only because a backwater town sounds marginally more interesting than a mental institution. Amethyst draws the attention of Ben, the boy of her dreams, and Absynth, the creature from her nightmares. Although neither of them is what she expected, Amethyst realizes both Ben and Absynth are exactly what she needs to heal her heart and harness the fairy magic she's inherited.Unfortunately for Amethyst, trying to walk both paths could get her killed, but having to choose between them is far worse.GARDEN OF THORNS AND LIGHT is an exiting new fantasy where sometimes, it's OK to be

They did the impossible, but their problems are far from over... After freeing the Delmarion empire, Rose and Rayce must go to Varsha, the desert home Rose fled when she was a child—the country she's meant to rule. Rayce is the new emperor of Delmar, Varsha's longtime enemy, but that won't stop him from assisting the girl he loves. Armed with the brute force of Rayce's military, Rose sets out to free her people from the oppressive rule of the usurper king who killed her father. But even if they win, how can she be queen to her homeland and in love with the man ruling its bitter enemy? With her loyalties split between heart and crown, Rose must find a way to do the impossible again...unite two kingdoms at war, or sacrifice half of herself to save the other.

Like flowers denied water, people are wilting under the emperor's tyranny. Rose will not rest until the Gardener is dead. But there are bigger battles to fight, and Rayce—leader of the rebellion and the only man Rose has ever loved—believes their best chance at winning the war is to join forces with her sworn enemy. Saving innocent people is more important than her quest for revenge. But their new ally can't be trusted—and he knows her darkest secret. One betrayal could leave the war and Rayce's life hanging in the balance, and Rose will need to make the ultimate sacrifice to save them all. The Garden of Thorns series is best enjoyed in order. Book #1 Garden of Thorns Book #2 War of the Wilted

Winner of the ALA Reading List Award Difficult and obstinate. Thriving under a set of specific and limited conditions. That pretty much describes me. Maybe that's why I like these roses so much. Roses are Galilee Garner's passion. An amateur breeder, she painstakingly cross-pollinates her plants to coax out new, better traits, striving to create a perfect strain of her favorite flower, the Hultthemia. Her dream is to win a major rose competition and one day have her version of the bloom sold in the commercial market. Gal carefully calibrates the rest of her time to manage the kidney failure she's had since childhood, going to dialysis every other night, and teaching high school biology, where she is known for her exacting standards. The routine leaves little room for relationships, and Gal prefers it that way. Her roses never disappoint her the way people have. Then one afternoon, Riley, the teenaged daughter of Gal's estranged sister, arrives unannounced to live with her, turning Gal's orderly existence upside down. Suddenly forced to adjust to each other's worlds, both will discover a resilience they never knew they had and a bond they never knew they needed.

The sexy, action-packed first book in the #1 New York Times bestselling Court of Thorns and Roses series from Sarah J. Maas. When nineteen-year-old huntress Feyre kills a wolf in the woods, a terrifying creature arrives to demand retribution. Dragged to a treacherous magical land she knows about only from legends, Feyre discovers that her captor is not truly a beast, but one of the lethal, immortal faeries who once ruled her world. At least, he's not a beast all the time. As she adapts to her new home, her feelings for the faerie, Tamlin, transform from icy hostility into a fiery passion that burns through every lie she's been told about the beautiful, dangerous world of the Fae. But something is not right in the faerie lands. An ancient, wicked shadow is growing, and Feyre must find a way to stop it, or doom Tamlin-and his world-forever. From bestselling author Sarah J. Maas comes a seductive, breathtaking book that blends romance, adventure, and faerie lore into an unforgettable read.

A blockbuster New York Times bestseller: A wife takes a shocking step to protect her marriage from the consequences of her own infidelity . . . Sylvie wants to be a good wife to Gerald, who offers the privileged life she could only dream of, growing up. When they wed eight years ago, the country was in the throes of the Depression, and she thought she'd made the right choice. She wants to please her new husband, and bear his children. But no matter how hard she tries, she cannot give him her whole heart. She thinks something is wrong with her until Nikos, the earthy Greek handyman, shows her what real passion is—and gives her a child. Sylvie knows Gerald will never accept the newborn, with her black eyes and dark hair, and she despairs until a fire in the hospital gives her a way out. In the confusion she switches her daughter for another's, a bold act that resonates through the decades and culminates in one of the most passionate love stories portrayed in contemporary fiction. This ebook features an illustrated biography of Eileen Goudge including rare photos from the author's personal collection.

Nearly five decades after they were swapped at birth, two women change each other's lives Sylvie Rosenthal is dying, and one great mistake still weighs on her soul. In 1943, as a new mother in a Bronx maternity ward, she feared for her life. What would happen when her husband saw their new daughter, whose dark hair and black eyes proved she wasn't his own? Sylvie couldn't bear to find out, and during a terrifying hospital fire fled the building with another woman's child in her arms. Decades later, she told her real daughter the truth, but asked Rose to keep her secret, lest it destroy Rachel, the girl Sylvie raised as her own. Then, after years of silence, the two women's lives, intertwined in more ways than one, are once more turned upside down. In this sequel to the blockbuster Garden of Lies, Rose and Rachel, bound forever by a secret that only one of them understands, must both find the courage to face the truth. This ebook features an illustrated biography of Eileen Goudge including rare photos from the author's personal collection.
