The Cambridge English Revision Guide: GCE O Level aims to help overseas students prepare for the English O level examination. Written by O level examiners in consultation with teachers and education officials from the target countries, it provides support for students based on a real understanding of the exams requirements. It covers the four main skills of continuous writing, directed writing, comprehension and summary writing. Students will be encouraged by its supportive tone as they work through the explanations and practice exercises. There is a wealth of examples as well as hints on a step by step approach to tackling longer writing tasks. Golden rules are highlighted to provide students with simple and memorable guidelines.

Revision Guide to support students of Cambridge O Level Biology through their course and help them to prepare for assessment.
