Our GCSE Science (Double Award) specification provides a broad, coherent, satisfying and worthwhile course of study. It encourages learners to develop confidence in, and a positive attitude towards, science and to recognise its importance in their own lives and to society.

GCSE Science (Double Award) - WJEC

The combined science revision guide breaks down the three sciences into core topics (18 for biology, 15 for chemistry and 13 for physics). There's a lot of material to cover in the science trilogy GCSE so this theming into different topics is a great help in breaking down revision into neat, measurable chunks that can be covered ahead of the exam.
