Janie George Obituary - Bolivia, NC

A memory hole is any mechanism for the deliberate alteration or disappearance of inconvenient or embarrassing documents, photographs, transcripts or other records, such as from a website or other archive, particularly as part of an attempt to give the impression that something never happened. The concept was first popularized by George Orwell's 1949 dystopian novel *Nineteen Eighty-Four*, where ...

George is the story of two extraordinary lives – the private man and the public legend.

Curious George and Me! has an unusual interactive twist—you, the reader, make it up as you go along! Each page has something new to complete, from favorite things to best pets. It's fun, simple, and packed with an incredible amount of educational value—children can put a star on their home state, fill out their address on a postcard from George, circle the color of their eyes/hair, name favorite clothes, foods, games, and even think about the future, from cars to discoveries to the classic what-do-I-want-to-be-when-I-grow-up?

George Michael is an enigma. While he is one of the most open and vocal pop superstars on the planet, he also fiercely protective of his privacy. From the formation of Wham! In 1981 he immediately found fame and fortune beyond his wildest dreams. His music formed the soundtrack to the 1980s and he achieved all of this despite growing up in a dysfunctional family where his father openly proclaimed that George had no talent. Wham! split in 1986 but Michael went on to greater things as a solo artist. Along the way he has been embroiled in several controversies, but in refreshing contrast to other superstars, he has been happy to address his issues head-on in the media. Rob Jovanovic's biography tackles all the issues that formed George Michael and his place as a cultural icon. It also, for the first time, analyses Michael's musical output and groundbreaking videos.

This is a startlingly fresh account of the life of one of the greatest 20th-century Americans, composer and songwriter George Gershwin. Joan Peyser examines Gershwin's character, his complex relationship with brother and collaborator Ira, and his several romantic affairs. This 2006 edition includes newly discovered information in a new author's introduction.

In Here, George Washington Was Born, Seth C. Bruggeman examines the history of commemoration in the United States by focusing on the George Washington Birthplace National Monument in Virginia's Northern Neck, where contests of public memory have unfolded with particular vigor for nearly eighty

years. Washington left the birthplace with his family at a young age and rarely returned. The house burned in 1779 and would likely have passed from memory but for George Washington Parke Custis, who erected a stone marker on the site in 1815, creating the first birthplace monument in America. Both Virginia and the U.S. War Department later commemorated the site, but neither matched the work of a Virginia ladies association that in 1923 resolved to build a replica of the home. The National Park Service permitted construction of the "replica house" until a shocking archeological discovery sparked protracted battles between the two organizations over the building's appearance, purpose, and claims to historical authenticity. Bruggeman sifts through years of correspondence, superintendent logs, and other park records to reconstruct delicate negotiations of power among a host of often unexpected claimants on Washington's memory. By paying close attention to costumes, furnishings, and other material culture, he reveals the centrality of race and gender in the construction of Washington's public memory and reminds us that national parks have not always welcomed all Americans. What's more, Bruggeman offers the story of Washington's birthplace as a cautionary tale about the perils and possibilities of public history by asking why we care about famous birthplaces at all.

George Michael is one of the world's top pop music vocalists. This book tells how the boy from a working class background made it to the top of the music charts in countries all over the world. It tells the story of George's involvement with the group Wham and of the \$3 million deal with the Coca Cola company. George's songs, his music, his craft as well as his family, friends and life on and off the road are all included. His observations and comments on other musical stars are also quoted.

“Lengel’s Washington is the archetypal American soldier—an amateur citizen in arms who struggles to learn an unfamiliar and demanding craft on the job...Outstanding.” —Publishers Weekly (starred review) on *The Glorious Struggle* Editor-in-Chief of the Washington Papers Project Edward G. Lengel delivers an entertaining and erudite history of America's Founding Father. In *Inventing George Washington*, a captivating counterpart to Lengel’s *General George Washington: A Military Life*, the historian looks at Washington’s life and writings, at the creation of his mythos, and at what his legacy means for our nation and ourselves.

When Eugenie Davies is killed by a driver on a quiet London street, her death is clearly no accident. Someone struck her with a car and then deliberately ran over her body before driving off, leaving nothing behind but questions. What brought Eugenie Davies to London on a rainy autumn night? Why was she carrying the name of the man who found her body? Who among the many acquaintances in her complicated and tragic life could have wanted her dead? And could her murder have some connection to a twenty-eight-year-old musical wunderkind, a virtuoso violinist who several months earlier suddenly and inexplicably lost the ability to play a single note? For Detective Inspector Thomas Lynley, whose own domestic life is about to change radically, these questions are only the first in an investigation that leads him to walk a fine line between personal loyalty and professional honor. Assigned to the case by his superior, Superintendent Malcolm Webberly, Lynley learns that Webberly's first murder investigation as a DI over twenty years ago involved Eugenie Davies and a sensational criminal trial. Yet what is truly damaging is what Webberly already knows and no doubt wants Lynley to keep concealed. Now the pressure is on Lynley to find Eugenie Davies' killer. For not only is he putting his own career into jeopardy, but he is also attempting to safeguard the careers of his longtime partners Barbara Havers and Winston Nkata. Together, they must untangle the dark secrets and darker passions of a family whose history conceals the truth behind a horrific crime.

A bright, bold debut about a girl who happens to have been born a boy, but refuses to let that stand in the way of her dream. George joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! When people look at Melissa, they think they see a boy named George. secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

THE SUNDAY TIMES BESTSELLER FROM ONE HALF OF ONE OF THE WORLD'S MOST FAMOUS BANDS For the first time, Andrew Ridgeley tells the inside story of Wham!, his life-long friendship with George Michael and the formation of a band that changed the shape of the music scene in the early eighties. 'I couldn't put it down. Such a fantastic book' Chris Evans, Virgin Radio _____ School mates. Band mates. Soul mates . . . When Andrew Ridgley took George Michael, the new boy at school, under his wing, he discovered a soul mate. In Wham! George and Me, Andrew tells the story of how they rode a rollercoaster of success around the world while making iconic records and surviving superstardom with their friendship intact. It is a memoir of love, music, the flamboyant 1980s and living in a pop hurricane. No one else can ever tell their story - because no one else was there. 'A joyous celebration of the Wham! years. For anyone who was a teenager in the early 1980s, it will take you on a nostalgia trip. It's an honest but affectionate account of a remarkable duo who remained true to their origins and their friendship throughout it all' Daily Express 'As infectious as their music' Daily Mirror 'A remarkably generous memoir. In more than one sense, the biography of a friend' Spectator 'A great story' Saturday Live, Radio 4 'A lovely book. A love letter to George' Graham Norton, BBC One 'Charming, heartfelt . . . there's a real poignancy to Ridgeley's description of Wham!'s glory days' Sunday Times
