From a TechCrunch founder and award-winning strategist comes the most comprehensive guide to the newest fundraising options for today ' s entrepreneurs. Fundraising for startups has changed dramatically in the past decade. There was a time when VCs were rock stars and a founder with a big idea and a little drive could raise a few hundred thousand dollars to build a business. But those days are gone. In the aftermath of the Great Recession and a massive drop in tech investments, it ' s become harder and harder for founders to raise money. The good news? Today ' s entrepreneurs have more options than ever before—with greater opportunities to get the ball rolling, get investors excited, and Get Funded! A comprehensive, cutting-edge guide from tech journalist and entrepreneur John Biggs and communication strategist Eric Villines. Get Funded! will enable you to: Create a solid business plan and a powerful story that investors respond to Explore a wide range of funding options—and find the ones that are right for you Understand valuation and dilution Plan, prepare, and deliver the perfect pitch Raise money through grants, micro-loans, micro-donations, and crowdfunding Take advantage of the latest online resources and financial tools Filled with step-by-step strategies, ready-to-use resources, and on-the-ground insights, this is a must-read for every entrepreneur. Even if you ' ve started a business before, you ' ll discover a whole new funding landscape with exciting tech-driven models including crowdfunding platforms like GoFundMe and Patreon, cryptocurrencies like Bitcoin, IEOs (Initial Exchange Offerings), micro-loans, and micro-donations as well as more traditional, tried-and-true methods. Beyond a road map to the current world of funding, Get Funded! provides proven strategies for pitching, marketing, bootstrapping, and more. It ' s a complete 360-degree tool with easy-to-follow worksheets and online resources that will help you build a sustainable funding strategy that ' s right for your business—and crucial to your success. Whether you ' re starting a food truck or a biotech startup, Get Funded! has got you covered.

A veritable cookbook for individuals or corporations seeking funding from the federal government, The Complete Writing Guide to NIH Behavioral Science Grants contains the latest in technical information on NIH grants, including the new electronic submission process. Some of the most successful grant writers in history have contributed to this volume, offering key strategies as well as tips and suggestions in areas that are normally hard to find in grant writing guides, such as budgeting, human subjects, and power analysis. A "who's who" among grant reviewers, this guidebook provides "inside" information as to why some grants are scored well while others flounder during review. A must-read for both entry level grant writers making headway in the complex NIH grant system for the first time as well as more seasoned investigators who can't seem to break the barrier to funded research grants, Drs. Scheier and Dewey's comprehensive volume provides simple and clear explanations into the reasons why some grants get funded, and a step-by-step guide to writing those grants.
