- James Baldwin, Giovanni's Room
Baldwin is everything. He ability to articulate the struggle to be a man in a world where both black men and gay men were considered 2nd class (if lucky) citizens taught me. He is the reason I read (or at least one of the reasons) good fiction. It transports me into the experience of the other. His writing is a gift. The emotions of this novel are expressed as ...

Giovanni's Room by James Baldwin - Penguin Books
James Baldwin's "Giovanni's Room" is truly a magnificent novel, a book 30 years before its time. It is both a psychological and sociological drama, set in Paris, France with a lingering commentary on American morals running throughout the book.

Through the men in Giovanni's Room, Baldwin showcases how socially created masculinity complexes rely on the humiliation and disenfranchisement of women. Through his main female character, Hella, Baldwin argues how women's freedom often relies on men. For men like David, masculinity is dependent on degrading women and femininity in general.

'Until I die there will be those moments, moments seeming to rise up out of the ground like Macbethâ€(tm)s witches, when his face will come before me, that face in all its changes, when the exact timbre of his voice and tricks of his speech will nearly burst my ears, when his smell will overpower my nostrils...'
Giovanni's Room is set in the Paris of the 1950s, where a young American expatriate finds himself caught between his repressed desires and conventional morality. David has just proposed marriage to his American girlfriend, but while she is away on a trip he becomes involved in a doomed affair with a bartender named Giovanni. With sharp, probing insight, James Baldwin's classic narrative delves into the mystery of love and tells an impassioned, deeply moving story that reveals the unspoken complexities of the human heart.

'Exquisite, a feat of fire-breathing, imaginative daring'
Guardian
David, a young American in 1950s Paris, is waiting for his fiancée to return from vacation in Spain. But when he meets Giovanni, a handsome Italian barman, the two men are drawn into an intense affair. After three months David's fiancée returns and, denying his true nature, he rejects Giovanni for a 'safe' future as a married man. His decision eventually brings tragedy. Filled with passion, regret and longing, this story of a fated love triangle has become a landmark of gay writing. James Baldwin caused outrage as a black author writing about white homosexuals, yet for him the issues of race, sexuality and personal freedom were eternally intertwined. 'If Van Gogh was our 19th-century artist-saint, James Baldwin is our 20th-century one'
Michael Ondaatje
'Baldwin writes of these matters with unusual candour and yet with such dignity and intensity'
The New York Times
'Violent, excruciating beauty'
San Francisco Chronicle

First published in 1957, this book attempts to tackle the conflict between homosexual and heterosexual love. It tells of David, a young man awakening to his true homosexual nature, through a relationship with a barman named Giovanni, as he awaits his fiancée's arrival from Spain.

When David meets the sensual Giovanni in a bohemian bar, he is swept into a passionate love affair. But his girlfriend's return to Paris destroys everything. Unable to admit to the truth, David pretends the liaison never happened - while Giovanni's life descends into tragedy. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love

This edition was specially created in 1993 for Quality Paperback Book Club by arrangement with Doubleday ...

Written on the twentieth anniversary of James Baldwin's death, Letter to Jimmy is African writer Alain Mabanckou's ode to his literary hero and an effort to place Baldwin's life in context within the greater African diaspora. Beginning with a chance encounter with a beggar wandering along a Santa Monica beach—a man whose ragged clothes and unsteady gait remind the author of a character out of one of James Baldwin's novels—Mabanckou uses his own experiences as an African living in the US as a launching pad to take readers on a fascinating tour of James Baldwin's life. As Mabanckou reads Baldwin's work, looks at pictures of him through the years, and explores Baldwin's checkered publishing history, he is always probing for answers about what it must have been like for the young Baldwin to live abroad as an African-American, to write obliquely about his own homosexuality, and to seek out mentors like Richard Wright and Ralph Ellison only to publicly reject them later. As Mabanckou travels to Paris, reads about French history and engages with contemporary readers, his letters to Baldwin grow more intimate and personal. He speaks to Baldwin as a peer—a writer who paved the way for his own work, and Mabanckou seems to believe, someone who might understand his experiences as an African expatriate.

A powerful, inventive collection from one of America's most critically acclaimed poets, Carl Phillips's new poetry collection, Pale Colors in a Tall Field, is a meditation on the intimacies of thought and body as forms of resistance. The poems are both timeless and timely, asking how we can ever truly know ourselves in the face of our own remembering and inevitable forgetting. Here, the poems metaphorically argue that memory is made up of various colors, with those most prominent moments in a life seeming more vivid, though the paler colors are never truly forgotten. The poems in Pale Colors in a Tall Field approach their points of view kaleidoscopically, enacting the self's multiplicity and the difficult shifts required as our lives, in turn, shift. This is one of Phillips's most tender, dynamic, and startling books yet.

In this honest and stunning novel that inspired the award-winning major motion picture of the same name, James Baldwin has given America a moving story of love in the face of injustice. "A major work of Black American fiction." –The New Republic
Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so alive and profoundly realized that they are unforgettably ingrained in the American psyche.
