As a product, Go For It, Nakamura! is an easy 5 stars. It came in time, had zero dents or scratches, and all the pages appear to be printed correctly. As for the book, it's absolutely adorable. First things first, the art style is simply fantastic. I have a lot of nostalgia for 90's anime and manga's style and this hits that hard for me.

What transforms a person into a killer? Can it be something as small as a suggestion? Turn this page, and you may forfeit your entire life. With *My Annihilation*, Fuminori Nakamura, master of literary noir, has constructed a puzzle box of a narrative in the form of a confessional diary that implicates its reader in a heinous crime. Delving relentlessly into the darkest corners of human consciousness, *My Annihilation* interrogates the unspeakable thoughts all humans share that can be monstrous when brought to life, revealing with disturbing honesty the psychological motives of a killer.

The magnum opus by Japanese literary sensation Fuminori Nakamura, *Cult X* is a story that dives into the psychology of fringe religion, obsession, and social disaffection. When Toru Narazaki's girlfriend, Ryoko Tachibana, disappears, he tries to track her down, despite the warnings of the private detective he's hired to find her. Ryoko's past is shrouded in mystery, but the one concrete clue to her whereabouts is a previous address in the heart of Tokyo. She lived in a compound with a group that seems to be a cult led by a charismatic guru with a revisionist Buddhist scheme of life, death, and society. Narazaki plunges into the secretive world of the cult, ready to expose himself to any of the guru's brainwashing tactics if it means he can learn the truth about Ryoko. But the cult isn't what he expected, and he has no idea of the bubbling violence he is stepping into. Inspired by the 1995 sarin gas terrorist attack on the Tokyo subway, *Cult X* is an exploration of what draws individuals into extremism. It is a tour de force that captures the connections between astrophysics, neuroscience, and religion; an invective against predatory corporate consumerism and exploitative geopolitics; and a love story about compassion in the face of nihilism.

"High schooler Hoshino Terumichi has been haunted by a recurring dream: a young man, a century earlier, dying at the hands of another man he calls "Sensei." This dream – or curse – is about to merge with reality when a mysterious, attractive classmate named Yamada Omihiko steps into Terumichi's life."

Young author Aki Fujino appeared poised to making it big in the world of publishing. Her debut title *UTSUBORA* was being pitched about to a number of editors and at least one person felt it was set to propel her into stardom. However, before she could ever have her book published, the young woman was found dead. Some believe it was a suicide, but those close to her feel there is something more sinister involved in this young talent's death. Aki's death has become something straight out of a mystery. Much like the story behind *UTSUBORA*, there is something more to Aki, Sakura and their relationship with an author named Mizorogi than meets the eye. And it is possible that the only way to solve this mystery may be to uncover all their secrets.

Groundbreaking and timely, *Race in Cyberspace* brings to light the important yet vastly overlooked intersection of race and cyberspace.

A Tokyo college student's discovery and eventual obsession with a stolen handgun awakens something dark inside him. On a nighttime walk along a Tokyo riverbank, a young man named Nishikawa stumbles on a dead body, beside which lies a gun. From the moment Nishikawa decides to take the gun, the world around him blurs. Knowing he possesses the weapon brings an intoxicating sense of purpose to his dull university life. But soon Nishikawa's personal entanglements become unexpectedly complicated: he finds himself romantically involved with two women while his biological father, whom he's never met, lies dying in a hospital. Through it all, he can't stop thinking about the gun—and the four bullets loaded in its chamber. As he spirals into obsession, his focus is consumed by one idea: that possessing the gun is no longer enough—he must fire it.
