An inevitable Guide, An unique concept Between pleasure and emotion With this eleventh edition, the Guide VERON des Champagnes enters confidently in its second decade with an strong determination to reinvent itself. Aware of the major challenges of the 21st century, it is going digital, driven by a real desire to limit its environmental impact and to improve its carbon footprint. Thus, this Guide VERON des Champagnes 2021 will be exclusively marketed online, on Amazon, favouring the digital version (Kindle ebook) and with a paper version printed on demand in more than 100 countries of the world, in order to avoid stocks, possible unsold books to destroy and transport over long distances. New cuvées from Champagne, real œnological gem, new website, new design, the Guide VERON des Champagnes remains faithful to its concept, the one that makes its originality, by refusing to classify and mark the selected champagnes, so as not to sink into vulgarity. How to mark a pleasure or an emotion? The champagnes selected in this book, in total independence, gave place to many tastings and meetings rich in emotions with the wine growers and cellar masters which enabled to write with passion this Guide VERON des Champagnes 2021, despite the unprecedented crisis related to the coronavirus, to offer you an exciting 2021 edition. Produced in Champagne by Michel VERON, œnologist and œnology teacher at Lycée viticole de la Champagne since 1991, this book, published in French and English, was born out of his passion for champagne tasting, his long experience enriched by innumerable exchanges with the champenois wine growers and his thirst for discovery. The Comparative Vocabulary Study Guide, Spanish to English to Italian, highlights over 7,000 selected Spanish words that have either the same spelling and meaning as their English and Italian counterparts or contain easily recognizable English and Italian meanings. This guide jump-starts the student into a knowledge of Spanish or English or Italian, or all three, by concentrating on easily recognizable words common to these languages. It teaches a basic vocabulary by word association. This guide is designed after the "vocabulary first" method of language instruction as advocated by the author. The student then is taught how to structure a particular vocabulary into meaningful sentences and concepts.

Translation has been a crucial process in world culture over the past two millennia and more. In the English-speaking cultures many of the most important texts are translations, from Homer to Beckett, the Bible to Freud. Although recent years have seen a boom in translation studies, there has been no comprehensive yet convenient guide to this essential element of literature in English. Written by eminent scholars from many countries, the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature. It highlights the place of translation in our culture, encouraging awareness of the issues raised, making the translator more visible. Concentrating on major writers and works, it covers translations out of many languages, from Greek to Korean, from Swahili to Russian. For some works (e.g. Virgil's Aeneid) which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available. The Guide is divided into two parts. Part I contains substantial essays on theoretical questions, a pioneering outline of the history of translation into English, and discussions of the problems raised by specific types of text (e.g. poetry, oralliterature). The second, much longer, part consists of entries grouped by language of origin: some are devoted to individual texts (e.g. the Thousand and One Nights) or writers (e.g. Ibsen, Proust), but the majority offer a critical overview of a genre (e.g. Chinese poetry, Spanish Golden Age drama) or of a national literature (e.g. Hungarian, Scottish Gaelic). There is a selective bibliography for each entry and an index of authors and translators.
