In this six-session video study, author and pastor Jeff Manion guides participants through the Gospel of Mark, revealing what the Gospel writer's words meant to his readers and what they mean to us today.

Mark's gospel is a rapid fire account of Jesus' ministry focusing primarily on His many miracles. This eyewitness account presents the boldest and clearest witness of Jesus' identity as the Son of God with power!

With a scholar's mind and a pastor's heart, Tom Wright walks you through Mark in this guide designed especially with everyday readers in mind. Perfect for group use or daily personal reflection, this study uses the popular inductive method combined with Wright's thoughtful insights to bring contemporary application of Scripture to life.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Most Christians are familiar with the story told in Mark's gospel — from the fishermen leaving their nets, to the miracle of the loaves and fishes, to the political rumblings and the crucifixion. But no one knows who "Mark" really was or why this gospel was written or why it's charged with such a sense of immediacy. For noted Jesus scholar Marcus Borg, reading Mark is like "meeting Jesus again for the first time." Individual readers and parish study groups will learn about this earliest gospel from the perspective of an important Anglican theologian. Conversations with Scripture is the umbrella title of the Anglican Association of Biblical Scholars Study Series. Written in accessible language and sensitive to those who have little or no experience in reading the Bible, each book in the series focuses on exploring the historical and critical background, plus modern application of the texts. Other books in the series focus on the Gospel of John, Revelation, the Law, the Parables, and 2 Isaiah. From the Introduction: "In thousands of congregations...this emerging way has been a means of revitalizing and deepening Christian understanding and commitment. It is a way that integrates faith and reason, head and heart, intellect, experience, and yearning. For me, it has made all the difference. This book is a small contribution to this process of adult theological re-education."

The 40 Days Through the Book series has been designed to help believers more actively engage with God's Word. Each study encourages participants to read

through one book in the New Testament at least once during the course of 40 days (approximately 6 weeks of meetings) and will provide them with (1) a clear understanding of the background and culture in which the book was written, (2) insights into key passages of Scripture, and (3) clear applications and takeaways from the particular book that participants can apply to their lives. Each study will be recorded in the author's place of residence and will highlight stories and applications that are relevant to his or her ministry in that area. In 40 Days Through Mark, author and pastor Jeff Manion guides small-group members through the Gospel of Mark, revealing what the author words meant to his original readers . . . and how they apply to us today. Participants will be encouraged as they listen to Jeff's teachings and, through the accompanying study guide, challenged to read the Gospel of Mark on their own during the forty days in the study. Designed for use with Mark Video Study (sold separately).

Enlarged print edition now available! Tom Wright's eye-opening comments on the Gospel of Mark and what it might mean for us are combined, passage-by-passage, with his fresh translation of the Bible text. Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Wright captures the urgency and excitement of Mark's Gospel in a way few writers have. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background

information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.
