This book surveys the world's green plant diversity, from green algae through flowering plants, in a taxonomic and evolutionary context.

◆ Fully updated version of text formerly used for training by BPP ◆ Diagrammatic representation of deal structures, pricing, and modeling ◆ Full glossary of terms ◆ International perspective, examples in US\$ ◆ Clear logical explanation of processes, markets, and products This manual explains the techniques for identifying and covering exposure to adverse movements in foreign exchange rates. It provides practical examples of transaction, translation, and economic risk and shows how a hedging strategy can be arrived at. The hedging strategy will depend upon whether the attitude to risk is adverse, seeking, or neutral. This book examines these attitudes in turn and compares these hedging methods through worked examples. Also included is an analysis of accounting and tax implications. This expansive new range of risk management texts has undergone extensive re-writing to give each book in the series an international perspective. Each explains and analyses core aspects of risk assessment and management in a way invaluable to students and useful to practitioners. All of these titles adopt a practical and clear approach to their subject. All are fully updated versions of a series of books previously produced by training experts at BPP.

Citizenship, indigenisation, inter-ethnic marriages and youthful exuberance are the core of WHERE ARE YOU FROM?. The novel questions the true meaning of federalism and highlights the frustration and disappointment young Nigerians face in their quest to succeed in a place where there are differences in background. It is an expose on how one can be lost in a country of one

The International Handbook of Jewish Education, a two volume publication, brings together scholars and practitioners engaged in the field of Jewish Education and its cognate fields world-wide. Their submissions make a significant contribution to our knowledge of the field of Jewish Education as we start the second decade of the 21st century. The Handbook is divided broadly into four main sections: Vision and Practice: focusing on issues of philosophy, identity and planning -the big issues of Jewish Education. Teaching and Learning: focusing on areas of curriculum and engagement Applications, focusing on the ways that Jewish Education is transmitted in particular contexts, both formal and informal, for children and adults. Geographical, focusing on historical, demographic, social and other issues that are specific to a region or where an issue or range of issues can be compared and contrasted between two or more locations. This comprehensive collection of articles providing high quality content, constitutes a
