The term The Greatest Generation was popularized by the title of a 1998 book by American journalist Tom Brokaw. In the book, Brokaw profiled American members of this generation who came of age during the Great Depression and went on to fight in World War II, as well as those who contributed to the war effort on the home front. Brokaw wrote that these men and women fought not for fame or ...

The instant classic that changed the way we saw World War II and an entire generation of Americans, from the beloved journalist whose own iconic career has lasted more than fifty years. In this magnificent testament to a nation and her people, Tom Brokaw brings to life the extraordinary stories of a generation that gave new meaning to courage, sacrifice, and honor. From military heroes to community leaders to ordinary citizens, he profiles men and women who served their country with valor, then came home and transformed it: Senator Daniel Inouye, decorated at the front, fighting prejudice at home; Martha Settle Putney, one of the first black women to serve in the newly formed WACs; Charles Van Gorder, a doctor who set up a MASH-like medical facility in the middle of battle, then opened a small clinic in his hometown; Navy pilot and future president George H. W. Bush, assigned to read the mail of the enlisted men under him, who says that in doing so he “learned about life”; and many other laudable Americans. To this generation that gave so much and asked so little, Brokaw offers eloquent tribute in true stories of everyday heroes in extraordinary times. Praise for The Greatest Generation “Moving . . . a tribute to the members of the World War II generation to whom we Americans and the world owe so much.”—The New York Times Book Review “Full of wonderful, wrenching tales of a generation of heroes. Tom Brokaw reminds us what we are capable of as a people. An inspiring read for those who wish their spirits lifted.”—Colin L. Powell “Offers welcome inspiration . . . It is impossible to read even a few of these accounts and not be touched by the book’s overarching message: We who followed this generation have lived in the midst of greatness.”—The Washington Times “Entirely compelling.”—The Wall Street Journal

Brokaw wrote the bestselling "The Greatest Generation" and now the subjects have written back. This book of letters and reflections allows members of the World War II generation and their families to speak for themselves.

The instant classic that changed the way we saw World War II and an entire generation of Americans, from the beloved journalist whose own iconic career has lasted more than fifty years. In this magnificent testament to a nation and her people, Tom Brokaw brings to life the extraordinary stories of a generation that gave new meaning to courage, sacrifice,

and honor. From military heroes to community leaders to ordinary citizens, he profiles men and women who served their country with valor, then came home and transformed it: Senator Daniel Inouye, decorated at the front, fighting prejudice at home; Martha Settle Putney, one of the first black women to serve in the newly formed WACs; Charles Van Gorder, a doctor who set up a MASH-like medical facility in the middle of battle, then opened a small clinic in his hometown; Navy pilot and future president George H. NEW YORK TIMES BESTSELLER □ A heartwarming gift for the holidays—a powerful selection of the letters Tom Brokaw received in response to his towering #1 bestseller *The Greatest Generation*. “When I wrote about the men and women who came out of the Depression, who won great victories and made lasting sacrifices in World War II and then returned home to begin building the world we have today—the people I called the Greatest Generation—it was my way of saying thank you. But I was not prepared for the avalanche of letters and responses touched off by that book. I had written a book about America, and now America was writing back.”—Tom Brokaw In the phenomenal bestseller *The Greatest Generation*, Tom Brokaw paid affecting tribute to those who gave the world so much—and who left an enduring legacy of courage and conviction. *The Greatest Generation Speaks* collects the vast outpouring of letters Brokaw received from men and women eager to share their intensely personal stories of a momentous time in America’s history. Some letters tell of the front during the war, others recall loved ones in harm’s way in distant places. They offer first-hand accounts of battles, poignant reflections on loneliness, exuberant expressions of love, and somber feelings of loss. As Brokaw notes, “If we are to heed the past to prepare for the future, we should listen to these quiet voices of a generation that speaks to us of duty and honor, sacrifice and accomplishment. I hope more of their stories will be preserved and cherished as reminders of all that we owe them and all that we can learn from them.”

“I cannot go anywhere in America without people wanting to share their wartime experiences....The stories and the lessons have emerged from long-forgotten letters home, from reunions of old buddies and outfits, from unpublished diaries and home-published memoirs....As the stories in this album of memories remind us, it truly was an American experience, from the centers of power to the most humble corners of the land.” —Tom Brokaw In this beautiful American family album of stories from the Greatest Generation, the history of life as it was lived during the Depression and World War II comes alive

and is preserved in people's own words. Photographs and time lines also commemorate important dates and events. An Army Air Corps veteran who enlisted in 1941 at age seventeen writes to describe the Bataan Death March. A black nurse tells of her encounter with wartime segregation. Other members of the Greatest Generation describe their war—in such historic episodes as Guadalcanal, the D-Day invasion, the Battle of the Bulge, and Midway—as well as their lives on the home front. Starting with the Depression and Pearl Harbor, moving on through the war years in Europe, in the Pacific, and at home, this unique book preserves a people's rich historical heritage and the legacy of a nation's heroism in war and its courage in peace—in the shaping of their lives and of the world we have today.

Myth and the Greatest Generation calls into question the glowing paradigm of the World War II generation set up by such books as *The Greatest Generation* by Tom Brokaw. Including analysis of news reports, memoirs, novels, films and other cultural artefacts Ken Rose shows the war was much more disruptive to the lives of Americans in the military and on the home front during World War II than is generally acknowledged. Issues of racial, labor unrest, juvenile delinquency, and marital infidelity were rampant, and the black market flourished. This book delves into both personal and national issues, calling into questions the dominant view of World War II as 'The Good War'.

In *Boom!*, Tom Brokaw, one of America's premier journalists and the acclaimed author of *The Greatest Generation*, gives us an epic portrait of another defining era in America: the tumultuous Sixties. The voices and stories of both famous people and ordinary citizens come together in this "virtual reunion" as Brokaw takes us on a memorable journey through a remarkable time, exploring how individuals and the national mood were affected by a controversial era and showing how the aftershocks of the Sixties continue to resound in our lives today. In the reflections of a generation, Brokaw also discovers lessons that might guide us in the years ahead. Race, politics, war, feminism, popular culture, and music are all delved into here. Brokaw explores how members of this generation have gone on to bring activism and a Sixties mindset into individual entrepreneurship, as we hear stories of how this formative decade has shaped our perspectives on business, the environment, politics, family, and our national existence. Remarkable in its insights, wonderfully written and reported, this revealing book lets us join in these frank conversations about America then, now, and tomorrow. Praise for *Boom!* "Tom Brokaw does an excellent job of capturing an exciting, controversial period in American history and *Boom!* is a worthy addition to his growing canon." –New York Post "[Tom Brokaw] approaches this magnum opus with warmth, curiosity and conviction, the same attributes that worked so well for his *Greatest Generation*." –The New York Times "[A] verbal scrapbook of the Sixties . . . [Boom! shows] that the era's core issues—racism, women's rights, a nation-dividing war—remain central today, and that the values boomers championed haven't yet gone bust." –People (four stars) "Packed with memorable people, places, events . . . A 'virtual reunion' of 1960s folks telling what they did back then, where they've been since and how they assess that tumultuous decade." –Chicago Tribune "Genuinely fascinating recollections . . . plenty of memorable anecdotes." –The Wall Street Journal

Who we are, where we've been, and where we need to go now, to recapture the American dream Now with a new Foreword by the author "The best presentation of the challenges facing the country—and the possible solutions—I've ever seen."—P. J. O'Rourke Tom Brokaw, known and beloved for his landmark work in American journalism and for the New York Times bestsellers *The Greatest Generation* and *Boom!*, now turns his attention to the challenges that face America in the new millennium, to offer reflections on how we can restore America's greatness. Rooted in the values, lessons, and verities of generations past and of his South Dakota upbringing, Brokaw weaves together inspiring stories of Americans who are making a difference and personal stories from his own family history, to engage us in a conversation about our country and to share ideas for how we can revitalize the promise of the American Dream. Inviting us to foster a rebirth of family, community, and civic engagement as profound as the one that helped win World War II, built our postwar prosperity, and ushered in the Civil Rights era, Brokaw traces the exciting, unnerving changes in modern life—in values, education, public service, housing, the Internet, and more—that have transformed our society in the decades since the age of thrift in which he was raised. In offering ideas from Americans who are change agents in their communities, Brokaw gives us a nourishing vision of hopefulness in an age of diminished expectations. NEW YORK TIMES BESTSELLER "Inspiring tales of how people from different walks of life have found ways to be of service to their communities and country."—Walter Isaacson

NEW YORK TIMES BESTSELLER □ WITH A NEW PREFACE BY THE AUTHOR □ A powerful memoir of a dramatic year spent battling cancer and reflecting on a long, happy, and lucky life—from the bestselling author of *The Greatest Generation*, whose iconic career in journalism has spanned more than fifty years Tom Brokaw has led a fortunate life, with a strong marriage and family, many friends, and a brilliant journalism career culminating in his twenty-two years as anchor of the NBC Nightly News and as bestselling author. But in the summer of 2013, when back pain led him to the doctors at the Mayo Clinic, his run of good luck was interrupted. He received shocking news: He had multiple myeloma, a treatable but incurable blood cancer. Friends had always referred to Brokaw's "lucky star," but as he writes in this inspiring memoir, "Turns out that star has a dimmer switch." Brokaw takes us through all the seasons and stages of this surprising year, the emotions, discoveries, setbacks, and struggles—times of denial, acceptance, turning points, and courage. After his diagnosis, Brokaw began to keep a journal, approaching this new stage of his life in a familiar role: as a journalist, determined to learn as much as he could about his condition, to report the story, and help others facing similar battles. That journal became the basis of this wonderfully written memoir, the story of a man coming to terms with his own mortality, contemplating what means the most to him now, and reflecting on what has meant the most to him throughout his life. Brokaw also pauses to look back on some of the important moments in his career: memories of Nelson Mandela, the Dalai Lama, the fall of the Berlin Wall, the morning of September 11, 2001, in New York City, and more. Through it all, Brokaw writes in the warm, intimate, natural voice of one of America's most beloved journalists, giving us Brokaw on Brokaw, and bringing us with him as he navigates pain, procedures, drug regimens, and physical rehabilitation. Brokaw also writes about the importance of patients taking an active role in their own treatment, and of the vital role of caretakers and coordinated care. Generous, informative, and deeply human, *A Lucky Life Interrupted* offers a message of understanding and empowerment, resolve and reality, hope for

the future and gratitude for a well-lived life. Praise for *A Lucky Life Interrupted* "It's impossible not to be inspired by Brokaw's story, and his willingness to share it."—Los Angeles Times "A powerful memoir of battling cancer and facing mortality . . . Through the prism of his own illness, Brokaw looks at the larger picture of aging in America."—Booklist (starred review) "Moving, informative and deeply personal."—The Daily Beast "The former NBC News anchor has applied the fact-finding skills and straightforward candor that were his stock in trade during his reporting days to *A Lucky Life Interrupted*."—USA Today "Brokaw doesn't paste a smiley face on his story. Again and again, the book returns to stories of loss but also of grace, luck and the beauty of having another swing at bat."—The Washington Post "Engaging . . . [with] the kind of insight that is typical of Mr. Brokaw's approach to life and now to illness."—The Wall Street Journal "Powerful and courageous . . . [Brokaw] looks ahead to the future with hope."—Bookreporter

Reflections on America and the American experience as he has lived and observed it by the bestselling author of *The Greatest Generation*, whose iconic career in journalism has spanned more than fifty years From his parents' life in the Thirties, on to his boyhood along the Missouri River and on the prairies of South Dakota in the Forties, into his early journalism career in the Fifties and the tumultuous Sixties, up to the present, this personal story is a reflection on America in our time. Tom Brokaw writes about growing up and coming of age in the heartland, and of the family, the people, the culture and the values that shaped him then and still do today. His father, Red Brokaw, a genius with machines, followed the instincts of Tom's mother Jean, and took the risk of moving his small family from an Army base to Pickstown, South Dakota, where Red got a job as a heavy equipment operator in the Army Corps of Engineers' project building the Ft. Randall dam along the Missouri River. Tom Brokaw describes how this move became the pivotal decision in their lives, as the Brokaw family, along with others after World War II, began to live out the American Dream: community, relative prosperity, middle class pleasures and good educations for their children. "Along the river and in the surrounding hills, I had a Tom Sawyer boyhood," Brokaw writes; and as he describes his own pilgrimage as it unfolded—from childhood to love, marriage, the early days in broadcast journalism, and beyond—he also reflects on what brought him and so many Americans of his generation to lead lives a long way from home, yet forever affected by it. Praise for *A Long Way from Home* "[A] love letter to the . . . people and places that enriched a 'Tom Sawyer boyhood.' Brokaw . . . has a knack for delivering quirky observations on small-town life. . . . Bottom line: Tom's terrific."—People "Breezy and straightforward . . . much like the assertive TV newsman himself."—Los Angeles Times "Brokaw writes with disarming honesty."—The Atlanta Journal-Constitution "Brokaw evokes a sense of community, a pride of citizenship, and a confidence in American ideals that will impress his readers."—Richmond Times-Dispatch
