Grimm Kelpies—e-aetrolbridgefreesechool.org
Grimm is an incredibly enjoyable story brimming with action, humour, a reluctant but brave hero, wonderfully eccentric characters, sinister occurrences, a mystery to solve – and a curse! Oh – and rats! I hope that this has whet your appetite as this is a story to devour in a single sitting!

If you have the misfortune to spend a night at Hotel Grimm, it may be the last one you spend anywhere! Or so the residents of Aberfintny believe. From its vantage point high above the town, the hotel has long been the source of dead guests and terrifying stories. When eleven-year-old Rory McKenna becomes an overnight advertising sensation for Zizz Cola, Hotel Grimm's mysterious owner, Granville Grimm, presents Rory with the task of giving his hotel a new image. Refusal is not an option... Can "Zizz Boy" do it again, or will he become Hotel Grimm's next victim? Full of unexpected twists and turns, surprising allies and things that go bump in the night, Rory's life is about to get very complicated. Set in the fictional town of Aberfintny, located roughly in Scotland's Trossachs region, this is a humorous adventure story from the prize-winning author of Catscape.

Fergus can't believe it when his brand-new digital watch starts going backwards. Then he crashes (literally) into gadget-loving Murdo and a second mystery comes to light: cats are going missing all over the neighbourhood. As the two boys start to investigate, they find help in some unexpected places.

Two hundred years ago, the Brothers Grimm published their famous collection of folk tales, including these thirty much-loved stories of helpful elves; giants who can see into the next land; foolish but good-hearted lads; princesses with golden hair; faithful servants and wicked queens. This sumptuously illustrated collection of essential Grimm classics includes stories every childhood needs: The Princess and the Frog, Little Red Riding Hood, Sleeping Beauty, Cinderella, Rumpelstiltskin and dozens more. Each tale is brought to life with radiant, faithful pictures from Daniela Drescher, one of Germany's best-loved illustrators, which are sure to fire any child's imagination.

Describes the origin of fairies, where they live, and what powers they possess.
