Guided reading is a small-group reading instruction which is designed to provide differentiated teaching to students in school. It's a chance for students who demonstrate similar reading behaviours and can read similar levels of texts. Guided reading supports children in developing reading proficiency, with the smaller group dynamic allowing them to be taught in a way that's more focused on their specific needs, which can accelerate their progress.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

To purchase or download a workbook, click on the 'Purchase or Download' button to the left. To purchase a workbook, enter the desired quantity and click 'Add to Cart'. To download a free workbook, right click the 'FREE Download PDF' link and save to your computer. This will result in a faster download, as opposed to left clicking and opening the link.
