Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of Guided Reading, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with Guided Reading, Second Edition, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation-from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading toward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Also check out our new on-demand mini-course: **Introducing Texts Effectively in Guided Reading Lessons**

Fountas & Pinnell Leveled Literacy Intervention (LLI) is a powerful early intervention system that can change the path of a student's journey to literacy. The LLI Orange System is specifically targeted at Foundation/Kindergarten students. Please note the program guide is not suitable for educators who have not yet purchased an LLI Orange System. This component is only available separately so that schools with the LLI Orange System can purchase additional copies of the program guide if they require. Find out more about the Fountas & Pinnell LLI System at www.pearson.com.au/primary/LLI

Take advantage of our pre-publication price and order now! What can change the landscape of literacy education in every classroom? The Fountas & Pinnell Literacy Continuum: Expanded Edition! The Fountas & Pinnell Literacy Continuum: Expanded Edition is the newest edition of the beloved Continuum of Literacy Learning resource by best-selling literacy authors and educators, Irene Fountas and Gay Su Pinnell. There has never been a more comprehensive resource available to teachers that does what the continuum does - provide specific behaviors and understandings that are required at each level for students to demonstrate thinking within, beyond, and about the text. These behaviors and understandings describe what students will be expected to do in order to effectively read and understand the text. More in-depth, more intuitive, and more essential than ever-The Fountas & Pinnell Literacy Continuum, Expanded Edition enables teachers to construct a common vision for student achievement that effectively and efficiently engages all students in the robust, authentic and meaningful literacy learning every child deserves. The Literacy Continuum provides a way to look for specific evidence of learning from prekindergarten through grade eight, and across eight instructional contexts. Each instructional context contributes substantially, in different but complementary ways, to students' development of the literacy process. With this indispensable literacy tool, Fountas and Pinnell remind you of The Literacy Continuum's critical role in transforming literacy teaching and learning. (Re)Discover The Fountas & Pinnell Literacy Continuum, Expanded Edition to: elevate your language and literacy expertise develop an understanding of the demands of texts on readers build your understanding of the reading and writing process and how it changes over time hone your observation of students' literacy behaviors teach toward student integration of the Systems of Strategic Actions articulate the literacy curriculum within and across grade levels activate the responsive teaching that meets students where they are and brings them forward with intention and precision build professional learning opportunities with colleagues create a common vision and common language for literacy in your school. Look for these new enhancements inside: Streamlined organization and navigation Expanded behaviors and examples across the continua First appearance of a behavior or goal or text characteristic is indicated by a red square (Behaviors are acquired and then elaborated over time) Clear organization of and explicit links to the Systems of Strategic Actions Four-color design for clarity and focus Also check out our new on-demand mini-course: **Thinking and Talking About Books Across the Day.**

Systems for Change offers specific - and, quite often, unique - suggestions for planning and implementing a literacy professional development course.

All the tips and tools you need to realize the goal of balanced literacy learning. Students learn to read and write best when their teachers balance literacy instruction. Best-selling authors Douglas Fisher, Nancy Frey, and Nancy Akhavan help you strike the right balance of skills and knowledge, reading and writing, small and whole group instruction, and direct and dialogic instruction, so that all students can learn to their maximum potential. Using this essential guide, tap your intuition, collaborate with your peers, and put the research-based strategies embedded within to work in your classroom for a strong and successful balanced literacy program.

A think-aloud process that comes close to bottling magic Grab a pencil, and you are on your way to dynamic lessons using Molly's three-step planning process. Read Once: Go wild, putting a flurry of sticky notes on spots that strike you Read Twice: Whittle your notes down to the juiciest stopping points Read Three Times: Jot down what you will say so there's no need to wing it in front of the kids Molly helps you focus on just five strategies: asking questions, making inferences, synthesizing, understanding the author's purpose, and monitoring and clarifying. Includes more than 20 ready-made think aloud scripts, activities, templates, and more.

Fountas & Pinnell take you through every aspect of leveled books from how to select and use them for different instructional purposes to prototype descriptions for fiction and nonfiction books at each level.

Teachers facing the challenge of meeting the diverse reading needs of students will find the structure and tools they need in Jan Richardson's powerful approach to guided reading. Richardson has identified the essential components of an effective guided reading lesson: targeted assessments, data analysis that pinpoints specific strategies students need, and the use of guided writing to support the reading process. Each chapter contains planning sheets to help teachers analyze assessments in order to group students and select a teaching focus Includes detailed, ready-to-go lesson plans for all stages of reading: emergent, early, transitional, and fluent
