Guided Reading: Summarize for first and second grades enhances language arts lesson plans with 36 readers—six sets of two each for below-, on-, and above-level student readers. This resource book engages students with images as they learn about topics such as bees, firefighters, weather, and more. Ready to Go Guided Reading: Summarize offers the essentials for an effective, comprehensive language arts program for first and second grades. This book includes: -leveled readers that cover high-interest topics -prompts to encourage students to work with the text and text features -discussion guides -graphic organizers and an observation sheet The high-interest readers are separated into three readability levels and designed to keep students' attention. Various callout boxes direct students to apply guided reading strategies to the texts, such as scanning for meaning or word work. Each reader concludes with a writing prompt. The 12-book Ready to Go: Guided Reading series for grades 1–6 includes everything you need for your guided reading group. Each 80-page book is essentially a guided reading set, containing 36 total readers, six discussion guides, and three reproducible pages. Four books are included in each grade span—each focuses on the essential reading comprehension strategies: -Infer -Connect -Question -Summarize All readers contain short nonfiction texts and text features such as callout boxes, photographs, charts, and maps.

Focuses on the inter-relationship between reading, writing and speaking and listening. This work blends theory, research and practice to show how an integrated programme of work can be developed to ensure that literacy is taught in a vibrant and stimulating way. It also examines strategies for developing successful group work.

Most managers hate conducting performance appraisal discussions. What's worse, few feel confident in their ability to accurately assess the performance of a subordinate. In The Performance Appraisal Question and Answer Book, expert Dick Grote answers over 100 of the most common -- and most difficult -- questions about this vitally important but often misunderstood and misused tool, including:* How should I react when an employee starts crying during the appraisal discussion . . . or gets mad at me?* Which is more important -- the results the person achieved or the way she went about doing the.
