From the acclaimed Nobel Prize winner: Two girls who grow up to become women. Two friends who become something worse than enemies. This brilliantly imagined novel brings us the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, Sula is a work that overflows with life.

Contrary to standard assumptions, the author argues that these expressions are not inherently negative and are only licensed by a covert negation.

A collector of fairy tales for a children's book publisher, Griet soon finds herself viewing her own life in storybook terms. In 2017 the world celebrated the 500 years of the Reformation of the 16th century. Martin Luther was at the centre of this jubilee. He is the father of the Protestant Church. A large section of the Afrikaans-speaking community in southern Africa (and those scattered all over the world) belong to one of the Protestant churches. and unknown writings of Luther to students and lecturers. Most readers will for the first time be able to read passages from his letters, sermons and commentaries. This book will hopefully be the beginning of a southern African Luther-reception. This will be a major contribution to the South African scholarship on church history. It will be the first publication that offers biographical information as well as information on and translations of his writings. Luther has until now, not spoke Afrikaans. The book is written from a southern African perspective. The author is looking for answers on African problems and challenges from Luther. Many of Luther's writings are relevant to our situation. He (as one example) urged the authorities and parents to ensure education for all children. In this country thousands of children are not in school, or do not complete their schooling education. Although we are centuries apart, we could still learn from Luther in this regard. Specialists in church history and systematic theology, as well as ministers and students. Hopefully this book will become prescribed literature at faculties of theology and seminars. The universal-accepted methodologies in the writing of church history are followed. One of the unique features of this book is the translations into Afrikaans of all quotations from Medieval German and Latin. This has never been done previously.

She called herself Silent Anna because she couldn't tell anyone what happened between her and her stepfather. Now, many years later, she breaks the silence to reveal the sexual abuse she suffered, its impact on her life and how she has finally managed to overcome it. It's me, Anna is based on a true story. This book is a must read. Not only because it tells the story of a young girl's determination to survive and to overcome her traumatic childhood, but also because the story is told with such sincerity and honesty.
