Synopsis coming  
soon.....

Young Frida Kahlo's  
imaginary friend comes  
to life in a touching  
story by Anthony  
Browne enhanced by  
exquisite surreal  
illustrations. Following  
a bout with polio at the  
age of six, Frida Kahlo's  
life was marked by pain

and loneliness. In real life she walked with a limp, but in her dreams she flew. One day her imagination took her on a journey to a girl in white who could dance without pain and hold her secrets, an indelible figure who would find her way into Frida's art in years to come.

Inspired by Frida  
Kahlo's diary, Anthony

Browne captures the essence of the artist's early flights of fancy and depicts both Frida and her imaginary friend in vivid illustrations evoking Kahlo's iconic style. A note at the end offers a brief biography of the artist who has intrigued art lovers the world over.
