Hello, Cruel World: 101 Alternatives to Suicide for Teens, Freaks, and Other Outlaws A Queer and Pleasant Danger: The True Story of a Nice Jewish Boy Who Joins the Church of Scientology and Leaves Twelve Years Later to Become the Lovely Lady She Is Today

Kate Bornstein is a Queer and Pleasant Danger - "All roads ...

Legendary Kate Bornstein directly addresses the often daunting and prevalent reality of suicidal thoughts and actions within trans and queer communities. Through her typical bold, intense, and playful style, Kate offers unconventional alternatives to suicide in her book "Hello Cruel World: 101 Alternatives to Suicide for Teens, Freaks and Other Outlaws.

Celebrated transsexual trailblazer Kate Bornstein has, with more humor and spunk than any other, ushered us into a world of limitless possibility through a daring re-envisionment of the gender system as we know it. Here, Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world. A one-of-a-kind guide to staying alive outside the box, Hello, Cruel World is a much-needed unconventional approach to life for those who want to stay on the edge, but alive. Hello, Cruel World features a catalog of 101 alternatives to suicide that range from the playful (moisturize!), to the irreverent (shatter some family values), to the highly controversial. Designed to encourage readers to give themselves permission to unleash their hearts' harmless desires, the book has only one directive: "Don't be mean." It is this guiding principle that brings its reader on a self-validating journey, which forges wholly new paths toward a resounding decision to choose life. Tenderly intimate and unapologetically edgy, Kate Bornstein is the radical role model, the affectionate best friend, and the guiding mentor all in one.

Gender Outlaw is the work of a woman who has been through some changes--a former heterosexual male, a one-time Scientologist and IBM salesperson, now a lesbian woman writer and actress who makes regular rounds on the TV (so to speak) talk shows. In her book, Bornstein covers the "mechanics" of her surgery, everything you've always wanted to know about gender (but were too confused to ask) addresses the place and politics of the transgendered and interrogates the questions of those who give the subject little thought, creating questions of her own.

Presents the life of a Jewish boy who joined the Church of Scientology and left twelve years later, ultimately transitioning to a woman and becoming a civil rights activist and gender outlaw.

"I know I'm not a man ... and I've come to the conclusion that I'm probably not a woman, either... The trouble is, we're living in a world that insists we be one or the other." With these words, Kate Bornstein ushers readers on a funny, fearless, and wonderfully scenic journey across the terrains of gender and identity. With a new introduction by the author On one level, Gender Outlaw details Bornstein's transformation from heterosexual male to lesbian woman, from a one-time IBM salesperson to a playwright and performance artist. But this particular coming-of-age story is also a provocative investigation into our notions of male and female, from a self-described nonbinary transfeminine diesel femme dyke who never stops questioning our cultural assumptions. Gender Outlaw was decades ahead of its time when it was first published in 1994. Now, some twenty-odd years later, this book stands as both a classic and a still-revolutionary work--one that continues to push us gently but profoundly to the furthest borders of the gender frontier.

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With My Gender Workbook, Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USFDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, My Gender Workbook gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like Men are from Mars, Women are from Venus squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!

"This updated edition of Bornstein's formative My Gender Workbook (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read...--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In My Gender Workbook, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, My Gender Workbook has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, My New Gender Workbook promises to help a new generation create their own unique place on the gender spectrum.

A Queer History of Adolescence reveals categories of age--and adolescence, specifically--as an undeniable and essential mechanism in the production of difference itself. Drawing from a dynamic and varied archive, including British and American newspapers, medical papers and pamphlets, and adolescent and children's literature circulating on both sides of the Atlantic, Gabrielle Owen argues that adolescence has a logic, a way of thinking, that emerges over the course of the nineteenth century and that survives in various forms to this day. This logic makes the idea of adolescence possible and naturalizes our historically specific ways of conceptualizing time, development, social hierarchy, and the self. Rich in intersectional analysis, this book offers a multifaceted and historicized theory for categories of age that challenges existing methodologies for studying the people called children and adolescents. Rather than offering critique as an end in and of itself, A Queer History of Adolescence imagines the world-making possibilities that critique enables and, in so doing, shines a necessary light on the question of relationality in the lived world. Owen exposes the profound presence of history in our current moment in order to transform the habits of mind shaping age relations, social hierarchy, and the politics of identity today.

A versatile missive written from the intersections of gender, disability, trauma, and survival. "Some girls are not made," torrin a. greathouse writes, "but spring from the dirt." Guided by a devastatingly precise hand, Wound from the Mouth of a Wound--selected by Aimee Nezhukumatathil as the winner of the 2020 Ballard Spahr Prize for Poetry--challenges a canon that decides what shades of beauty deserve to live in a poem. greathouse celebrates "buckteeth & ulcer." She odes the pulp of a bedsore. She argues that the vestigial is not devoid of meaning, and in kinetic and vigorous language, she honors bodies the world too often wants dead. These poems ache, but they do not surrender. They bleed, but they spit the blood in our eyes. Their imagery pulses on the page, fractal and fluid, blooming in a medley of forms: broken essays, haibun born of erasure, a sonnet meant to be read in the mirror. greathouse's poetry demands more of language and those who wield it. "I'm still learning not to let a stranger speak / me into a funeral." Concrete and evocative, Wound from the Mouth of a Wound is a testament to persistence, even when the body is not allowed to thrive. greathouse--elegant, vicious, "a one-girl armageddon" draped in crushed velvet--teaches us that fragility is not synonymous with flaw.

An electric new story of teenage Cruella de Vil in an original novel inspired by the upcoming Walt Disney Studios Live Action Film, Cruella. Swinging London, Summer 1967. Sixteen-year-old Estella, gifted with talent, ingenuity, and ambition, dreams of becoming a renowned fashion designer. But life seems intent on making sure her dreams never come true. Having arrived in London as a young girl, Estella now runs wild through the city streets with Jasper and Horace, amateur thieves who double as Estella's makeshift family and partners-in-(petty)-crime. How can Estella dedicate herself to joining the ranks of the London design elite when she's sewing endless costumes and disguises for the trio's heists?When a chance encounter with Magda and Richard Moresby-Plum, two young scions of high society, vaults Estella into the world of the rich and famous, she begins to wonder whether she might be destined for more after all. Suddenly, Estella's days are filled with glamorous parties, exclusive eateries, flirtations with an up-and-coming rock star, and, of course, the most cutting-edge fashions money can buy. But what is the true cost of keeping up with the fast crowd--and is it a price Estella is willing to pay?
