Through Her Eyes, when I originally read the product review, sounded a bit to me like a book I read called "Wake Unto Me" which was a very good book so naturally I purchased "Through Her Eyes". Of course, when I began to read this book, I quickly realized how different the two stories were.

NOW A NETFLIX ORIGINAL SERIES The instant New York Times and #1 international bestseller. “You should read Behind Her Eyes...It’s bloody brilliant.” —Stephen King "An eerie thriller...Pinborough keeps us guessing about just who’s manipulating whom – until the ending reveals that we’ve been wholly complicit in this terrifying mind game.” —The New York Times Book Review Why is everyone talking about the ending of Sarah Pinborough's Behind Her Eyes? Louise is a single mom, a secretary, stuck in a modern-day rut. On a rare night out, she meets a man in a bar and sparks fly. Though he leaves after they kiss, she’s thrilled she finally connected with someone. When Louise arrives at work on Monday, she meets her new boss, David. The man from the bar. The very married man from the bar...who says the kiss was a terrible mistake, but who still can’t keep his eyes off Louise. And then Louise bumps into Adele, who’s new to town and in need of a friend. But she also just happens to be married to David. And if you think you know where this story is going, think again, because Behind Her Eyes is like no other book you’ve read before. David and Adele look like the picture-perfect husband and wife. But then why is David so controlling? And why is Adele so scared of him? As Louise is drawn into David and Adele’s orbit, she uncovers more puzzling questions than answers. The only thing that is crystal clear is that something in this marriage is very, very wrong. But Louise can’t guess how wrong—and how far a person might go to protect their marriage’s secrets. In Behind Her Eyes, Sarah Pinborough has written a novel that takes the modern day love triangle and not only turns it on its head, but completely reinvents it in a way that will leave readers reeling.

Once there, Tansy is immediately drawn to the turret of their rickety old house, a place she soon learns has a disturbing history. A “hauntingly original” psychological thriller about innocence, memory, and the effect of a moment of violence (O: The Oprah Magazine). In the girls’ bathroom, Diana and her best friend, Maureen, are stealing a moment from the routine drudgery of high school when a classmate enters holding a gun. Suddenly, Diana sees her life—past, present, and acutely imagined future—dance before her eyes. Through prose infused with the dramatically feminine sensuality of spring, readers will experience sixteen-year-old Diana’s uncertain steps into womanhood—her awkward, heated forays into sex; her fresh, fragile construction of an identity—and, in exhilarating detail, her life-not-lived as a doting mother and wife of forty. Together with the sights and sounds of renewal are the tasks of Diana’s adulthood: protecting her beloved daughter and holding on to her successful husband. This “poetic” novel encompasses both the truth of a teenager’s world and the transformations of midlife (Vanity Fair). Resonant and deeply stirring, The Life Before Her Eyes finds piercing beauty in the midst of a nightmare that echoes like a dirge beneath each new spring, in a story that “takes on deep matters of life and death; conscience and consciousness; family, love and friendship” (Los Angeles Times). “Evokes terror and redemption, shadows and light. Kasischke treads a delicate line with the precision and confidence of a tightrope walker. She reminds us to look hard at life, to notice its beauty and cruelty, even as it flashes before us and disappears.” —The New York Times “Mesmerizing.” —Chicago Tribune

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Told through the prism of the lives of 21 extraordinary women, this remarkable book offers an alternative vision of Irish history – one that puts the spotlight on women whose contributions have been forgotten or overlooked. Author Clodagh Finn travels through the ages to ‘meet’, among others, Macha, the Celtic horse goddess of Ulster; St Dahalin, an early Irish saint and miracle worker; Jo Hiffernan, painter and muse to the artists Whistler and Courbet; Jennie Hodgers, a woman who fought as a male soldier in the American Civil War; Sr Concepta Lynch, businesswoman, Dominican sister and painter of a unique Celtic shrine; the Overend sisters, farmers, charity workers and motoring enthusiasts; and Rosemary Gibb, athlete, social worker, clown and accomplished magician. From a Stone Age farmer who lived in Co. Clare more than 5,000 years ago to the modern-day founder of a 3D printing company, this book opens a fascinating window onto the life and times of some amazing women whose stories were shaped by the centuries in which they lived.

Wanting to be a better writer has been a penchant of mine since I wrote my first essay. I am not sure but I believe that it was in my fourth grade. The essay was filled with incomplete sentences, for instance, he me money, I wrote of my uncle giving me money. I omitted Gave. The kids called me, he me money for a long time. In High School I elected to take English literature, my friends called me lame, for wanting to discuss Shakespeare and Dickens for an entire period. They say that there are no chance meetings and that everything happens for a reason. Studying the old masters, I learned that extensively verbalizing and painting panoramic pictures, causes young readers to lose interest quickly. I picked up war and peace at fourteen years old and never finished reading the book. So when I started to Write my Objective was to tell my Story with as few words as possible. I have been blogging for seven years, I toy with my readers, telling them that my goal is to write a blog with one sentence and a book on one page. This book has been in the works in my mind for fifty three years. Since my first day in High School

(Applause Books). This the first book to examine the films of the acclaimed and popular Indian-born and Harvard educated filmmaker, Mira Nair. A unique voice in cinema today, she is one of the few female directors who made it to the top of a male-dominated profession. Her films feature an incomparably sensuous visual style yet at the same time often record the injustice of the disenfranchised and the cross-pollination of East and West. Her twin themes of realism and romance make for dazzling cinema. John Kenneth Muir analyzes all of Nair's work, including: Salaam Bombay! (1988), the groundbreaking story of a young boy abandoned by his family on the streets of Bombay; Mississippi Masala (1991), an interracial small town romance between an Indian woman (Sarita Choudhury) and an African American businessman (Denzel Washington); Monsoon Wedding (2001), featuring a Bollywood carnival atmosphere, one of the most successful foreign films ever released in the United States; Hysterical Blindness (2002), the HBO film featuring Uma Thurman and Juliette Lewis, looking for love in all the wrong places; The big-budget Hollywood adaptation of the Thackery novel Vanity Fair (2004), starring Reese Witherspoon, Gabriel Byrne, and Eileen Atkins.
