His attraction to her can no longer be ignored, and he senses that she feels it too. He finally breaks down her defenses, countering all of her arguments about why they shouldn't be together and showing her, in great detail, how incredible they are together. So why does she become so angry when he tells her he won ' t share her with anyone else?

Jason was livid that Emma ´ s father had information about his past and wouldn ´ t divulge the answer until he married Emma – a woman whose reputation was worse than his own. And he had to produce a child with this woman? So be it! He ´ d do anything to get that information, even marry a woman who had apparently slept with any man that crossed her path. But as he got to know the gentle beauty, he discovered that she was nothing like her father. She was kind and sweet, generous to a fault. And he was falling in love with his enemy ´ s daughter!

But no matter how much he craved logic and reason, his body craved Juliette more. Juliette is fascinated by Marcus ´ s stoicism. How could he walk down the street and not feel the joy in the sunshine? How could he ignore the sounds of the grasshoppers and birds? Or smile at the perfection of a flower? And how could her mind and body need a man who didn ´ t understand the joy of living life for the moment? Enjoy the fifth book in The Alfieri Saga!

As a southern belle, Georgette has certain standards she must maintain. But when Dylan walks into the ballroom, all of her southern manners and poise are unable to hold up under his heated stare. She has goals of her own and she can ´ t let some man, no matter how delicious he might be, interfere with those goals. In her acclaimed novels, Susan Vreeland has given us portraits of painting and life that are as dazzling as their artistic subjects. Now, in The Forest Lover, she traces the courageous life and career of Emily Carr, who—more than Georgia O’Keeffe or Frida Kahlo—blazed a path for modern women artists. Overcoming the confines of Victorian culture, Carr became a major force in modern art by capturing an untamed British Columbia and its indigeneous peoples just before industrialization changed them forever. From illegal potlatches in tribal communities to artists’ studios in pre-World War I Paris, Vreeland tells her story with gusto and suspense, giving us a glorious novel that will appeal to lovers of art, native cultures, and lush historical fiction.

You met Charles in His Reluctant Lover (Alfieri Saga #3, about Dylan and Georgette) - now find out what happens as Fiona receives his full attention!
